Boards and Committees

Please describe why you are interested in serving on a board or committee for the City of New Port Richey:

I'm interested in assisting in the scheduling and planning of events within the city of New Port Richey. Currently disabled due to being rear-ended by 2 cars while I was stopped at a Red light. Prior to accident(2013), I was an infrastructure Project Manager, specializing in Hospital Acquisitions and refurbishment. I'm not back to where I was in 2013, or I'd be back working, but I'm very strong on the big picture and planning all the small steps to get to the final day. I'd be an asset in any project plan. Hopefully you'll find a need for my services.

Please choose which board or committee you are interested in serving on:

- Cultural Affairs Committee (meets on the third Wednesday of each month)
- Environmental Committee (meets on the second Monday of each month)
- Firefighters Pension Board (meets on a quarterly basis)
- Historic Preservation Board (meets on the second Monday of the month)
- Land Development Review Board (meets on the fourth Thursday of the month)
- Library Advisory Board (meets on the fourth Monday of the month)
- Parks and Recreation Advisory Board (meets on the second Tuesday of the month)

Special Skills, Interests and/or Qualifications

Summarize special skills, interests and/or qualifications you possess which you feel would be beneficial to the board or committee you are applying for membership to.

I'm great at planning and seeing the steps required to make the big picture a reality. I excel at team building and live Reagan's quote, "Trust, but Verify". An average hospital acquisition took 11 months to complete, with over 70k steps Project Plan. I helped to create the plan, making it something I checked off when completed. I didn't need to keep lo what came next. I memorized what was next and to me it just made sense, . Like all other Projects I've done, if you go over the plan and make sure that nothing is missing from it, you can acco anything.
