SUBJ: Letter of Support

Please allow this memorandum to serve as the New Port Richey Police Department's support for the High Visibility Enforcement effort for pedestrian and bicycle safety for 2023-2024. We will utilize this grant upon approval of our City Council to educate the public, pedestrians, and motorists regarding applicable Florida State Statutes. Our Department will commit to any reasonable enforcement or educational measures to reduce pedestrian and bicycle fatalities in our City.

Some of these measures include: marked patrol vehicle enforcement, foot patrols, and bicycle enforcement. Additional measures will be taken through message boards, social media advertisement, and flyer handouts.

The New Port Richey Police Department is steadfast in its dedication to the safety and security of all of our citizens.

Respectfully,
