Mr. Robert M. Rivera  
Public Works Director  
**City of New Port Richey**  
6132 Pine Hill Road  
Port Richey, Florida 34668

**Re: Bid Recommendation-ITB24-004 Main Street Sidewalk  
Improvements (US19 to Oelsner Street)**

Mr. Rivera:

On December 1, 2023 at 2:00 PM local time, bid proposals were opened for the above-referenced project. Attached is the bid tabulation results containing the bidders name and the bid cost.

From the bid tabulation results, there were a total of five (5) bids. The distribution of bids, between the highest and lowest varies with the highest bid being \$988,284.00 and the lowest bid being \$326,561.98. One of the bidders, Timm Group Building & GC, had a math error that was found but it did not affect the outcome of the bid.

The lowest bid of \$326,561.98 was submitted by SC Signature Construction Corporation. SC Signature Construction Corporation also had a small math error on their original bid of \$326,550.00, but it did not affect the outcome of the bid. The revised bid amount was \$326,561.98. The City has worked with this company before and is the contractor on the Frances Park Shelter Improvement and Meadows Dog Park projects. I have discussed the bid with SC Signature Construction Corporation and have been assured that they understand the bid documents and are comfortable with their bid amount and the work that is expected by the City.

Therefore, I am confident that SC Signature Construction Corporation is qualified and capable of performing all of the work described in the bid documents and recommend that the City of New Port Richey award the Main Street Sidewalk Improvements (US19 to Oelsner Street) to SC Signature Construction Corporation.

Sincerely,

**ENVIRONMENTAL CONSULTING & TECHNOLOGY, INC.**

Robert E. Johnson, P.E.  
Senior Engineer
