We have been building homes in the City of New Port Richey for many years and have always had a good reputation for quality work and satisfied customers. It is our intent to build a new concrete block home on the above lot within a year from the date the lot is transferred to us. The home we intend to build will meet all criteria and will be in the higher \$300,000.00 price range, bringing new tax revenue to the city. If we are the successful bidder, we will do an outstanding job for the City of New Port Richey. We have always had a good rapport with the building department and look forward to continuing to work with them in the future.

Our bid amount for this lot is \$40,250.00, with the understanding that we will be refunded \$15,000.00 if the Certificate of Occupancy is received within 12 months from the transfer of the property.
