Ideally, I'd like to ask for a salary increase of \$8,000 per year. So increasing the salary per year to \$38,000 from the \$30,000 it currently stands at. Ok, so would you recommend I edit the staff salary line on our budget to officially ask? Thank you.

Good afternoon Sara,

It would fall under Section IV Payments. How much of an increase are you seeking? I only ask because City Council already reviewed the CRA budget and it is set for formal approval on September 26th.

Good afternoon Judy. Our board would like to ask for a funding increase, if possible. To help with a staff salary increase. Is that a change we should ask for in the budget section? Thank you for your help.

Hi Judy. Hope you had a good long weekend. I was wondering if there was time for us to amend our MOU? Are we allowed to make any changes at this stage? Thank you for your time.
