Subject: Renaming of Water Treatment Plant

Dear Ms. Manns:

Thank you to you and the City of New Port Richey's prompt response to our family's request to rename the City's water treatment plant. Earlier this week I had my first look at the name change and was delighted and grateful. The new signage is beautiful, especially since it incorporates and compliments the City's "signage look". Everything is fresh, clean, and light – inviting images.

We are aware that the change was expensive and definitely unbudgeted. Please accept the enclosed \$500 to help offset the cost in renaming the New Port Richey William C. Maytum Water Treatment Plant. It is small payment for an action so near and dear to our hearts. I am extremely proud of a daughter's efforts in initiating this honor to and for her Dad.

Additionally, and for what it's worth, I like the new alley signs. The closest one here is Porpoise Alley. Now, who cannot react positively when they think of a porpoise's smile!

This should be a traditional thank you letter but it isn't. I hope it will be accepted with sincere gratitude from the Maytum family.

Regards,

Vonnie Maytum
