Re: 2023 Disaster Recovery and Debris Removal Services
RFP-23-011

Dear Sir or Madam,

DRC Emergency Services, LLC, appreciates the opportunity to present to you and the City of New Port Richey our proposal to provide Disaster Recovery and Debris Removal Services as required in the above referenced RFP. DRC is among the leading disaster management companies in the United States. Our services include emergency debris removal; disaster management—including temporary housing, workforce housing and life support—as well as required FEMA documentation; debris management; right-of-way maintenance; marine debris, salvage and recovery; vehicle and vessel removal and processing; technical assistance and project management; construction and construction management; demolition; and landfill management.

DRC is headquartered in Galveston, Texas and maintains offices across the United States which provide us with geographical maneuverability along the Atlantic and Gulf Coasts and allow us to continue to provide services to the City of New Port Richey should any location be compromised during a disaster. DRC is vastly familiar with the area and presently holds disaster relief contracts in Pinellas County, Citrus County, the City of Temple Terrace, and the City of Pinellas Park. DRC currently has dozens of reservists and hundreds of subcontractors ready to participate in any response effort. Depending on the size of an event which may strike the City of New Port Richey, DRC will dedicate all necessary manpower and equipment and in no case, will the project be understaffed.

In 2021, DRC performed Red Tide Fish-Kill cleanup which included cleaning the intercoastal waterways of the City of New Port Richey.

Corporate officers with legal signing authority to bind DRC to the terms and conditions of this proposal include: John Sullivan, President; Kristy Fuentes, Vice President/Secretary-Treasurer. Evidence of their authority is attached.

The Regional Manager for the City of New Port Richey is Jay Gunter who can be reached at (888) 721-4372, by cell: (386) 507-1011 or by email: jgunter@drcusa.com.

This proposal is in all respects fair and in good faith, without collusion or fraud and conforms to the specifications of your RFP. If we may offer any additional information or clarifications, please let us know. Thank you for the opportunity to offer our services and we look forward to working with the City of New Port Richey in the future.

Sincerely,

Kristy Fuentes
Vice President, Secretary, Treasurer
