#### Terms and Conditions

1. **WARRANTY:** Unless specified otherwise, EPI warrants that materials supplied under this Contract are of good quality and free from defects. EPI also warrants that any work performed under this Contract will be performed in a workmanlike manner. For a period of one year after completion, EPI will, at its own expense and option, repair or replace defective materials under warranty and correct defective work directly attributable to its own fault.
2. **CHANGE ORDERS:** Before EPI supplies additional materials or performs additional or changed work involving additional time or expense, PURCHASER and EPI shall execute a written Change Order describing the change and the amount of, or method of determining, extra compensation.
3. **RISK OF DAMAGE OR LOSS:** PURCHASER expressly agrees to bear any risk of damage to, or loss of, any materials delivered or work performed by EPI under this Contract, regardless whether such damage or loss results from theft, misuse, fire, flood or any other cause except EPI's own negligence. PURCHASER also expressly agrees to reimburse EPI for any damages or costs incurred by EPI as a result of such damages or loss. EPI and PURCHASER waive all rights against each other and any of the subcontractors, sub-subcontractors, agent and employees, each of the other, for damage caused by fire or casualty or other causes of loss to the extent covered by property insurance obtained by any party to the contract.
4. **DAMAGES FOR DELAY:** EPI shall not be liable for any damages for delays caused by acts of God, acts of PURCHASER, acts of Purchaser's subcontractors, agents or suppliers, acts of public agencies, inspectors or public utilities, strikes, inclement weather, fires, inability to obtain materials from their regular sources, extra work or other contingencies unforeseen by EPI.
5. **CHOICE OF LAW AND VENUE:** This Contract shall be construed in accordance with the laws of the State of Florida. PURCHASER expressly agrees that venue for any action brought under this Contract will lie in either Alachua County or the county in which the work site is located, at EPI's sole option.
6. **ATTORNEY FEES:** In the event that any litigation or other dispute resolution proceeding is commenced that involves, arises out of or relates to this contract, then the prevailing party shall be entitled to an award of taxable court costs, other related but non-taxable costs and expenses, and reasonable attorney fees from the time that the proceeding was commenced until all appeals, if any, are final. EPI's maximum liability for any and all claims shall be limited to \$500.00 including claims for MERCHANTABILITY and HABITABILITY.
7. **INSURANCE:** EPI shall at all times, commencing with the date upon which construction begins; carry the following types and amounts of insurance coverage:  
  
 Worker's Compensation insurance covering all persons engaged in the performance of this Contract, in accordance with Florida law. Liability insurance covering death or bodily injury as required by Florida Statute. PURCHASER shall maintain full insurance on the premises during the progress of the work at PURCHASER'S expense and shall name EPI as an additional named insured.
8. **Owner shall carry Builders Risk insurance covering 100% of the construction cost, including EPI's overhead and profit.**
