Mr. Robert M. Rivera  
Public Works Director  
City of New Port Richey  
6132 Pine Hill Road  
Port Richey, Florida 34668

RE: Bid Recommendation – ITB23-009 Tank No. 2 Clarifier Cleaning and Thermoplastic Powder Coatings

Mr. Rivera:

On February 17, 2023 at 2:00 PM local time, bid proposals were opened for the above referenced project. Attached is the bid tabulation results containing the bidders name and the bid cost.

From the bid tabulation results, there were a total of two (2) bids. The distribution of bids, between the highest and lowest varies considerably with the highest bid being \$105,000 and the lowest bid being \$57,350

The lowest bid of \$57,350 was submitted by **Titan Construction Management LLC**. The City has not worked with this company before. I have verified their work quality through discussions with other past clients including Leon County, they spoke highly of the product, services, and professionalism of Titan Construction and the applicator BlastWerks. I have discussed the bid with **Titan Construction Management LLC** and have been assured that they understand the bid documents and are comfortable with their bid amount and the work that is expected by the City.

Therefore, I am confident that **Titan Construction Management LLC** is qualified and capable of performing all of the work described in the bid documents and recommend that the City of New Port Richey award the Tank No. 2 Clarifier Cleaning and Thermoplastic Powder Coatings to **Titan Construction Management LLC**.

Joe Palazzolo  
WTP/Reclaimed Water Facilities Operation Manager  
City of New Port Richey
