RE: Bid Recommendation – ITB 23-020 New Port Richey – Main Street Signature Entry Feature
Mr. Ynigues,

On June 02, 2023 at 2:00 PM EST, bid proposals to construct the referenced project were opened in the New Port Richey City Hall Council Chambers. The Bid Tabulation resulted in bids from two (2) bidders.

Both bidders provided two (2) bids, a “Base Bid” and an “Add Alternate” bid.

The high bidder provided a total “Base Bid” amount of \$802,832.22 and a total “Add Alternate” bid amount of \$261,584.40.

The low bidder provided a total “Base Bid” amount of \$707,143.20 and a total “Add Alternate” bid amount of \$212,551.40.

The low total “Base Bid” amount of \$707,143.20 and the low total “Add Alternate” bid amount of \$212,551.40 were both submitted by Augustine Construction, Inc.

WJArchitects believes, based on reliable sources, that Augustine Construction, Inc. should be capable of providing all the work defined and described in the bid documents. WJArchitects therefore takes no exception to the City of New Port Richey awarding the contract to Augustine Construction, Inc. to construct the New Port Richey Main Street Signature Entry Feature for the total base bid amount of \$707,143.20 and “Add Alternate” bid amount of \$212,551.40 for a total of \$919,694.60.

Sincerely,
Christopher Dunn
