The firm has reported that it provides collection services to 88,150 residential and 9,459 commercial accounts in Pasco County.

Waste Services of Pasco, Inc., has provided the Risk Management Division with the required mandatory coverage.

Payment has been made in the amount of \$14,900.00, which is comprised of an application fee of \$500.00 and an inspection fee of \$200.00 for each collection vehicle, totaling \$14,400.00.

Based on our inspection and investigation of the information supplied, it is the opinion of staff that the firm complies with the standards and requirements as specified by Section 90-47, Pasco County Code of Ordinances.

ALTERNATIVES AND ANALYSIS:

1. Approve the permit issuance to the applicant, subject to such terms and conditions as the BCC shall determine to be necessary in order to ensure that the applicant shall comply with the provisions of the Pasco County Code of Ordinances.
2. Deny the permit issuance to the applicant.
3. Direct staff to other action desired by the BCC.

RECOMMENDATION AND FUNDING:

The Utilities Services Branch recommends that the BCC approve Alternative No. 1 and issue a permit to Waste Services of Pasco, Inc., subject to the following conditions:

1. That the designated disposal site of the collector shall be changed, if necessary, to meet the requirements of any subsequent flow-control ordinance or special act enacted by Pasco County.
2. This license shall be subject to any modification of the licensure requirements as approved by the BCC from time to time.
3. The maximum rates charged by the license holder shall not exceed those maximum rates as established by the BCC in accordance with the Pasco County Code of Ordinances. That all rates charged by the license holder are approved by the BCC.
