Mr. Robert M. Rivera  
Public Works Director  
City of New Port Richey  
6132 Pine Hill Road  
Port Richey, Florida 34668

RE: Bid Recommendation – Bid 2016-013 Marine Parkway Multi Use Project

Mr. Rivera:

On May 12, 2016 at 2:00 PM local time, bid proposals were opened for the above referenced project. Attached is the bid tabulation results containing the bidders name and the bid cost.

From the bid tabulation results, there were a total of five (5) bids. The distribution of bids, between the highest and lowest varies considerably with the highest bid being \$897,257.00 and the lowest bid being \$615,443.05.

The lowest bid of \$615,443.05 was submitted by **Augustine Construction, Inc.** Terra Tectonics has not worked with this company before, but has verified their work quality through discussions with past client references. I have had several conversations with the provided references and they all highly recommend Augustine Construction, Inc. for the project type. I have discussed the bid with **Augustine Construction, Inc.**, and have been assured that they understand the bid documents and are comfortable with their bid amount and the work that is expected by the City.

I am confident that **Augustine Construction, Inc.** is qualified and capable of performing all of the work described in the bid documents and recommend that the City of New Port Richey award the Marine Parkway Multi Use Project contract to **Augustine Construction, Inc.**

Since

Jonathan J. Foner, RLA, ISA  
Principal Landscape Architect  
Terra Tectonics design group, inc.
