Transportation. Refer to the New Port Richey Comprehensive Plan for the adopted Level of Service Standards. Refer to the Land Development Code for the **requirements of a Transportation Study.** *(Please attach to this form)*

1. Determine the number of trips generated by the proposed project during the PM peak hour using the most recent edition of the ITE "Trip Generation" report with no adjustments for internal capture or passerby trips.
2. If the total number of trips is equal to or greater than 50 trips, then a transportation study shall be done. The report shall be signed and/or sealed by either a registered professional engineer or a member of the American Institute of Certified Planners.
 - a. **If no study is required, the applicant is required to provide only the existing directional PM peak hour traffic volumes and level of service for the roadways link to which project driveways connect. This information shall include project traffic.**
 - b. The data shall be in conformance with Notes 3a and 3b of "Existing Conditions" below.
3. Existing conditions. The following shall be provided:
 - a. Existing directional PM peak hour traffic volumes and LOS on all collectors and arterials within study area.
 - b. Existing turning movements at the impacted intersection(s) and intersection LOS.

NOTE FOR QUASI-JUDICIAL PROCEEDINGS:

I understand the hearing process to review this application is considered quasi-judicial and operates much like a court of law. The Land Development Review Board and City Council members act in a similar capacity as a judge and must govern themselves in accordance with the basics of due process in making decisions. I understand that contact with any of these members about my application should be avoided. I also understand these members have been instructed to avoid all such conversations with applicants or people in opposition to or support of any variance. I further understand that decisions will be made based on evidence and testimony that is presented at scheduled public hearings and not on information gathered outside of these hearings.

ATTENDANCE AT MEETINGS:

The applicant or applicant's representative needs to be present at the DRC, LDRB and City Council meetings.

AUTHORIZATION TO VISIT THE PROPERTY:

Site visits to the property by City representatives are essential to process this application. The Owner/Applicant, as notarized below, hereby authorizes the City representatives to visit, photograph and post a notice on the property described in this application.
