RE: Bid Recommendation – Landscape Maintenance Management 16-017

Mr. Rivera:

On Thursday June 30, 2016 at 2:00 PM local time, bid proposals were opened for the above referenced project. Attached is the bid tabulation results containing the bidders name and the bid cost.

From the bid tabulation results, there were a total of six (6) bids. The distribution of bids, between the highest and lowest varies considerably with the highest bid being \$101,178.00 and the lowest bid being \$24,000.00.

The lowest bid of \$24,000.00 was submitted by **Blades of Green**. The City has not worked with this company before, but has verified their work quality through discussions with past client references. I have discussed the bid with **Blades of Green** and have been assured that they understand the bid documents and are comfortable with their bid amount and the work that is expected by the City.

Therefore, I am confident that **Blades of Green** is qualified and capable of performing all of the work described in the bid documents and recommend that the City of New Port Richey award the Landscape Maintenance Management contract to **Blades of Green**.

Sincerely,

John Fussell
Grounds Maintenance Section Leader
City of New Port Richey
