RE: City Vehicles and equipment for Auction

In order to control operational costs and maintain an economical size of the vehicle fleet, it is time to dispose the worn obsolete / high maintenance old city vehicles and equipment. These units have already been replaced by newly purchased equipment.

Enclosed is a list of vehicles and equipment I have selected. This is a proposed list and is pending you and council approval in compliance with city charter for public notice of sale.

- 1-Grounds 88- 2006 Dodge 3500 sm dump truck, 94844 miles
- 2-Water 62- 1995 Ford E 150 van, 158078 miles
- 3-STMWT-58-2002 Dodge 3500 service truck, 103385 miles
- 4-Wa-59 2002 Dodge 3500 service truck, 107189 miles
- 5-PD-109 2008 Ford Crown Vic. police car,131520 miles
- 6-PD-102 2006 Dodge Charger under cover car, 124336 miles
- 7- PD-118-2008 Dodge Charger police car, 68392 miles on it, constantly breaking down.
- 8- Old smith air compressor, air tank rotted out
- 9- Aamco Brake Lathe too old, will not cut rotors or drums larger than 10inch. New Vehicles are 12inch or larger
