The Design Committee has reviewed the proposed mural project and drawing for the Little Coronas Cigar Lounge at 6324 Grand Blvd, New Port Richey.

The Design Committee has voted in favor of approving the proposed mural with 7 voting yes and 1 committee member not voting. I have attached a synopsis of the Design Committee comments below.

The Design Committee would like to recommend the City Council approve the mural project for Little Coronas cigar lounge at 6324 Grand Blvd, New Port Richey and look forward to the addition of another mural in our beautiful downtown.

Thank you,

**SYNOPSIS OF COMMITTEE COMMENTS:**

Jose Cardenas: It looks fine. Ok with the mural. It is nature. A little scary looking.

Anne Graffy: I think it is fun for the cigar bar. I would vote yes.

Ann Moore: Did not respond.

Marilyn deChant: I'm fine with the artist rendering attached.

Andy Mikulski: No objections from me.

Marc Dewaele: First, I like the painting. I personally don't think it is the right painting for the size of the wall (I think a smaller wall would be perfect).

Bob Smallwood: It's just alright

Chris Mettler: I have no objections to the proposed mural.
