FSA16-VEH14.0 Spec #75

Re: FSA Quotation for 6JSVE

Bill,

Per your request and our previous conversations, please see the attached quotation below for the Thompson Pump model 6JSVE-DJDST-45T-M.

The net price is derived from our 2016 Florida Sheriffs Association Contract Bid Award #FSA16-VEH14.0-Cab & Chassis Trucks & Other Fleet Equipment. This Florida based government contract enables The City of New Port Richey to avoid the hassle and expense of purchasing this pump through the public bid process. The FSA contract basically works like a “piggy back” for our equipment. You can order this unit by simply putting our FSA bid award number on your purchase order. Our FSA contract number is: FSA16-VEH14.0, Spec #75.

Should you require further information or have any questions, please feel free to contact me or Bill Hoffman directly.

We appreciate the opportunity to do business with you.

Sincerely,

David Perry
