Port Richey, Florida 34668

RE: Bid Recommendation – Bid ITB #17-015 2014/2015-Streetscape Improvements,
Madison St.-Main St. to Mass Ave.

Mr. Rivera:

On Sept 13th, 2017 at 11:00 AM local time, bid proposals were opened for the above referenced project. From the bid tabulation results, there were a total of two (2) bids. The distribution of bids, between the highest and lowest was as follows: \$664,424.75 was the lowest and the highest bid being \$971,408.03.

The lowest bid of \$664,424.75 was submitted by **Augustine Construction, Inc.** Terra Tectonics has worked with this company before on the Marine Parkway Project, in New Port Richey, and has verified their work quality through discussions with past client references. I have discussed the bid with **Augustine Construction, Inc.**, and have been assured that they understand the bid documents and are comfortable with their bid amount and the work that is expected by the City.

I am confident that **Augustine Construction, Inc.** is qualified and capable of performing all of the work described in the bid documents and recommend that the City of New Port Richey award the 2014/2015-Streetscape Improvements Madison St. Main St. to Mass Ave. contract to **Augustine Construction, Inc.** **Let me know if you have any questions.**

Sincerely,

Jonathan H. Toner, RLA, ISA
Principal Landscape Architect
Terra Tectonics design group, inc.
