Mr. Rivera,

Allow this letter to express our desire to exercise the one (1) year option of renewal for bid #16-016 **Agreement for Mowing and Grounds Maintenance** as well as for bid #16-017 **Agreement for Landscape Maintenance Management (City Hall & Sims Park)**.

We truly appreciate the working relationship we have built with the staff at Public Works, the city counsel for the City of New Port Richey as well as the residents of our fine city.

I look forward to hearing from you.
