RE: Esri Sole Source Justification for Small Municipal and County Government Enterprise Agreement

This letter confirms Esri, as owner and manufacturer, is the sole source provider of all U.S. domestic Small Municipal and County Government Enterprise Agreements (EA). The Small Municipal and County Government EA is a bundled package of term limited software licenses and maintenance that includes the right to copy.

Esri is the only source that can grant a right to copy and deploy Enterprise Software within your organization (Enterprise). Also, domestically Esri is the only source of maintenance (updates and technical support) for all Esri® software.

If you have further questions, please feel free to call our Contracts and Legal Services Department at 909-793-2853, extension 1990.

Sincerely,

A handwritten signature in blue ink that reads "J. Ricks".
