**RE: 2015/2016 STREET IMPROVEMENT PROJECT  
ITB 18-001 BID RECOMMENDATION**

Dear Mr. Rivera:

The three (3) bids received for the 2015/1016 Street Improvement Project were opened November 2, 2017.

The low bidder is D.A.B. Constructors, Inc. at \$1,314,444.44. There was a small mathematical error on the second-place bidder's bid tabulation sheet (Ajax Paving Industries of Florida, LLC) which increased the total bid amount to \$1,341,953.90 but does not affect the overall ranking. The low bid exceeded the Engineers Opinion of Probable Construction Cost (\$1,297,951.12) by less than 1.5%.

Genesis has contacted two of D.A.B's previous customers and verified their experience with projects of a similar scope and scale. Additionally, Genesis has contacted D.A.B. and confirmed that they understand the project scope and are comfortable with the bid submitted. We therefore recommend the contract be awarded to D.A.B. Constructors, Inc.

At your service,

GENESIS
