Bid No: RFP 15-011

Bid Title: Yard Debris Grinding Services

Inquires sent to: Robert Rivera, Public Works Director

By submitting this document, Raynor Shine Services, LLC agrees to understand the requirements and qualifications stated in RFP 15-011, Yard Debris Grinding Services for The City of Newport Richey, therefore electing to submit a proposal in response to the bid request.

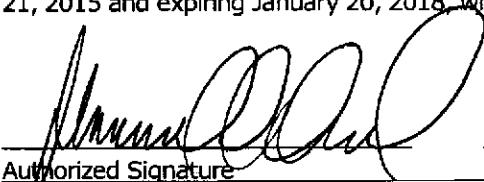

Raynor shine services, LLC shall grind yard debris located at the City of Newport Richey's FDEP Permitted Yard Vegetation Transfer site located at 6420 Pine Hill Road Port Richey, FL 34668 twice a year, as directed by The Public Works Department.

The total estimated amount of material is 6,024 tons, approximately 3,000 tons processed twice annually. The material shall be processed at a capacity of 70-80 green tons per hour, ground by the Morbark 1300 tub grinder with an 860 horsepower engine or larger. The hourly rate shall include the grinder, operator, mobilization fee, fuel and maintenance support.

Raynor Shine Services LLC acknowledges that this is an estimate, and shall only invoice the City for the actual amount of material processed after the work is completed. Raynor Shine is not responsible for the collection and separation of vegetative debris and unauthorized garbage. All materials to be ground must be separated prior to start date.

Raynor Shine Services, LLC estimates the cost per hour to \$525.00

Raynor Shine agrees to allow the RFP hourly rate to remain the same for three years, starting January 21, 2015 and expiring January 20, 2018, with a possibility of a one year extension.
