---

Mr. Field,

In follow up to our phone conversation, I emphatically endorse Metric Engineering for Debris Monitoring RFP. As I said on the phone, and I will submit in writing, there is Metric Engineering and then there is everyone else. They have prepared and/or submitted nearly 8M in worksheets from Hermine and Irma and have effectively made their reimbursement for their services reach 89.5%. My investment of 10.5 cents on the dollar Pasco County BOCC has put our regular employees back to work and ensured that we will get every possible disaster dollar back! My Project Manager, Alyssa Carrier, is second to none in the business. She communicates with me usually within a matter of minutes but never longer than the next day.

If you have any questions, please don't hesitate to call.

Thank you,

**Kevin Guthrie**

Assistant County Administrator
