ACTIVITY	QTY	RATE	AMOUNT
<b>POE Switch</b> Eight port gigabit ethernet network switch plus four POE 10/100/1000	2	89.00	178.00T
<b>Long distance outdoor smart wireless Reciever</b> Long distance outdoor and IP55 rated weatherproof wireless receiver including programming and installation.	1	299.00	299.00T
<b>Long distance outdoor smart wireless transmitter</b> Long distance outdoor smart wireless transmitter. IP 55 rated weatherproof wireless transmitter including programming and installation.	1	299.00	299.00T
<b>Camera Installation</b> The wiring, terminating of connections, mounting, and positioning of a CCTV camera.	8	200.00	1,600.00
<b>Network Config</b> Network configuration of IP cameras for integrating on DVR/NVR and CMS software.	1	199.00	199.00
<b>Camera Service Plan</b> Camera service within 48 hours to troubleshoot, reconfigure and or replace a security camera upon camera failure for a period of three years from the date of invoice. Service is for any of the eight cameras originally installed by A1osis. Original cameras and replacement cameras are to be provided by the customer	8	150.00	1,200.00
<b>Hardware Warranty</b> All exchanges require a written RMA and original invoice. Products have a one year limited hardware warranty from original purchase date. The warranty is voided if you alter the equipment as follows: cutting cables, opening cameras and cases, using non-regulated power supplies, closed housings, removing or altering warranty seals, removing any program(s) or any type of format downloaded or saved into a PC based DVR other than manufacturer software and other authorized software from A1 OSIS will automatically void warranty on said equipment. The warranty does not cover any damages	1	0.00	0.00

caused by acts of nature such as lightning, fire, flooding, storms or power surges. Damage caused by misuse or negligence is not covered under warranty. This hardware warranty covers parts during the initial warranty term of the equipment. a 90 day warranty on labor immediately following the date on invoice will also be provided. In the event that a product is within hardware warranty terms and is not performing as intended due to manufacturer defect, a replacement of equal or higher value will be provided in exchange for the defective product usually within 3-5 business days. However, replacement of the defective product depends on scheduling and product availability therefore may require a much lengthier time period for replacement. The hardware warranty process is as follows: 1. Customer must submit a support ticket at [www.a1osis.com](http://www.a1osis.com) 2. An Authorized representative of A1 OSIS will provide technical support via the online ticketing system or email in attempt to resolve any product issues within the scope of equipment that was provided by A1 OSIS Inc. Phone Technical Support may also be provided by appointment only. 3. If A1 OSIS Inc is unable to resolve product issues via phone email or ticketing support then an Authorized technician of A1 OSIS Inc. will be dispatched to the customer premise under 90 day labor warranty or for a service call paid for by the customer. 4. If an Authorized technician of A1 OSIS Inc deems that the product in question is defective then A1 OSIS will deliver and install a replacement of equal or higher value to the customer address at no additional charge.

### PMT Terms & Conditions

All prices are subject to change without notice. No refunds. 50% deposit of the total quoted amount is due upon signing of this agreement. The remaining balance is due immediately upon completion of the quoted items. In the event the Client requests to change or add to any of the already invoiced or quoted items, it is the Client's full responsibility to pay for any and all of the quoted items that have already been initiated and/or completed. When the customer requests to change or add items to the quote, A1 OSIS will provide an amended quote which is not valid unless signed and dated by both parties and prior to providing any changes or additions to the listed estimate items at the Client's expense. Deposits and account balances can be paid using most major credit cards, business checks, personal checks, or cash. When accepting personal checks a valid photocopy of the customers state issued identification card is required. If a particular quoted item is not deemed possible by A1 OSIS Inc. due to site access, customer cooperation, or technical feasibility, the total amount of all completed items on this invoice or estimate are still due. A1 OSIS Inc. reserves the right to provide or not to provide an alternative solution and depending on the complexity and feasibility of the situation. For some services, no printed estimate is provided. In the event that no printed estimate is provided, the full amount billed to the customer is due immediately upon receipt of invoice. There will be a service charge of 3% per month for late payments. A \$25.00 charge will be assessed on all returned checks. If any of the

quoted or invoiced amount is not paid when due, the customer agrees and promises to pay all costs of collection, including reasonable attorney fees, whether or not a lawsuit is commenced as part of the collection process. Customer deposits and merchandise will be forfeited after 90 days from order date. Out-of-state sales are exempt from sales tax.

**Client Agreement**

This estimate and or invoice is a client agreement. This client agreement is a legal binding contractual agreement between A1 OSIS Inc. and the Client. By signing this client agreement and or doing business with A1OSIS Inc. you are acknowledging and agreeing to the hardware warranty, payment terms and conditions, along with all items listed on this estimate and or invoice in their entirety. All of the items on this estimate supersede any and all forms of communication and agreements unless an amended version of this agreement is provided by A1 OSIS and signed and dated by both parties.
