Addendum One (1)

December 22 , 2015

MEMORANDUM

TO: All Bidders

FROM: Silvia Coste, Purchasing II
Procurement and Contracts Division

SUBJECT: Addendum No. One (1), IFB16-0007, Sanitary Sewer Lining & Manhole Rehabilitation.

Please be advised of the following change to subject solicitation. The solicitation is hereby changed accordingly.

A. ADDITION TO PROPOSAL DRAWINGS:

Additional drawings have been added to this proposal: See **Exhibit "A"** **"CLEANOUT DETAIL"**, **"FRP MH LINER DETAIL"**, and **"RING & COVER DETAIL"** of this Addendum. Please log in to our eSupplier website to download these drawings. <https://esupplier.cityoforlando.net/vendor/common/default.aspx>.

B. QUESTION RECEIVED:

Question No. One (1):

Will the City of Orlando allow ASTM F1504 – Expandable Fold and Form PVC liner to be used as an or equal to CIPP liner installation for sewer sizes of 8", 10", and 12"? Our company has installed this material in the past and continues to install this product in Florida.

Answer No. One (1):

No, fold and form liners will not be allowed.

Question No. Two (2):

The performance and payment bond is only required on job tasks over \$300,000.00 dollars. A comment was made at the pre-bid meeting by City staff that the majority of job tasks have been less than this in the past. How are we to account for this extra cost in the bid especially if it is not required the majority of the time?

Answer No. Two (2):

The City requires Payment and Performance Bonds for projects 200k and over. If a project assignment will exceed the 200K threshold, the Contractor will be compensated at 2% of the project assignment cost to cover the payment and performance bond.

Question No. Three (3):

Is there a specific form that needs to be used for the Bid Security Bond? I am in the process of ordering the Bid Bond and our Surety stated that there is usually a form to be used that is provided by the City of Orlando. I do not see a form enclosed with the documents. Please point me the right direction.

Answer No. Three (3):

There is no specific way, please go to Page 54 of the Solicitation and follow the instructions.

Bid Security:

Bid Security shall be made payable to City, in an amount equal to ten percent of the bidder's Total Base Bid in the form of a certified check, cashier's check, or a Bid Bond issued by a Surety that is licensed to conduct business in the State of Florida and has at least an "A" - rating in accordance with the most current A.M.
