

Table of Contents:

Executive Summary	v - 1
The Planning Process	I - 1
Local Mitigation Strategy Working Group	I - 3
The Planning Process	I - 4
The Community	I - 8
Hazard Identification Risk Assessment	II - 1
Natural Hazard Analysis: Low Probability Hazards	II - 3
Natural Hazard Analysis: Moderate – to High Probability Hazards	II - 5
Tropical Cyclones and Hurricanes	II - 6
Severe Storms	II - 24
Flooding	II - 41
Coastal and Riverine Erosion	II - 50
Geological Hazards (Sinkholes/Depressions)	II - 55
Wildfires	II - 63
Drought/Heat Wave	II - 74
Winter Storms/Freezes	II - 88
Technological Hazard Analysis: Moderate Probability	II - 94
Cyber Incident	II - 94
Hazard Materials Incidents	II - 102
Hazard Analysis Summary	II - 105
Mitigation Strategy	III - 1
Guiding Principles and Goals	III - 1
Goals and Objectives	III - 2
Mitigation Actions	III - 6

Process for Submitting and Prioritizing Projects_____	III – 9
Implementation of Mitigation Actions_____	III – 17
Mitigation Projects/Programs_____	III – 17
Identification and Analysis of Mitigation Actions: NFIP Compliance_	III – 17
Funding Sources_____	III – 20
Incorporation into Existing Planning Mechanisms_____	III – 33
Appendix A: Documenting Hazard Mitigation Planning Process_____	A – 1
Appendix B: Special Needs Registration Information_____	B – 1
Appendix C: Active LMS Project List_____	C – 1
Appendix D: Repetitive Loss Properties and Repetitive Loss Areas_____	D – 1
Appendix E: Pasco County Federally Declared Emergencies and Major Disasters_____	E – 1
Appendix F: NCEI Weather Data 1950 – 2018_____	F – 1
Appendix G: Community HazMat Reports_____	G – 1
Appendix H: Hazard Impact and Estimate Losses_____	H – 1
Appendix I: Sinkhole Alley Article_____	I – 1
Appendix J: Mitigation Innovation_____	J – 1
Appendix K: Pasco County and Municipal Resolutions_____	K – 1
Appendix L: CWPP_____	L – 1
Appendix M: Flood Information Study_____	M – 1
Appendix N: Glossary of Commonly Used LMS Terms_____	N – 1
Appendix O: Reference of Commonly Used LMS Acronyms_____	O – 1
