RE: Bid Recommendation – Landscape Maintenance – US Hwy 19 Center Medians ITB 19-011

Mr. Rivera:

On Thursday, May 17, 2019 at 2:13 PM local time, bid proposals were opened for the above referenced project. Attached is the bid tabulation results containing the bidders name and the bid cost.

From the bid tabulation results, there were a total of four (4) bids. The distribution of bids, between the highest and lowest varies considerably with the highest bid being \$47,899.92 that breaks down to \$3,991.66 a month and the lowest bid being \$24,040.80 that breaks down to \$2,003.40 a month.

The lowest bid of \$24,040.80 a year was submitted by **Green Expectations**. The City has not worked with this company before, but has verified their work quality through discussions with past client references. I have discussed the bid with **Green Expectations** and have been assured that they understand the bid documents and are comfortable with their bid amount and the work that is expected by the City.

Therefore, I am confident that **Green Expectations** is qualified and capable of performing all of the work described in the bid documents and recommend that the City of New Port Richey award the Landscape Maintenance Management contract to **Green Expectations**.

Sincerely,

John Fussell  
Grounds Maintenance Field Supervisor  
City of New Port Richey
