

September 5, 2019

To the Honorable Mayor and Members of the City Council:

With this letter, I am pleased to submit the 2019-2020 fiscal year budget for your review and consideration. The budget was developed in accordance with the City Charter, the annual budget calendar, the stated financial management policies and guidelines of the city and City Council's strategic focus areas and direction. This budget, like preceding years' budgets continues to recognize the external economic conditions that demand conservative approaches to managing expenses while delivering high quality services to residents and members of the business community.

In respect to the City Council goals, the budget provides a long-term perspective and commitment to provide the best possible service at the lowest cost. The budget reflects a proactive approach which provides for the City to continue building on the past while providing for its future.

The proposed 2019-2020 budget reflects an overall 7.09%, or \$4,430,020, increase in expenditures over 2018-2019's total Operating Budget.

It pleases me to report that the City Council has been presented with a balanced budget and that revenue growth in 2018 has afforded the City the ability to support modest increases in the coming fiscal year. The additional budgeted expenditures will allow the City to enhance some of our basic services, as well as to focus on the City Council's strategic initiatives and goals.

Budget Overview

The priorities established for the preparation of the FY 2019-2020 Operating Budget are in alignment with the City Council's vision for the City. Highlights are as follows:

- Ensure the continued fiscal health of the City
- Provide a safe environment and maintain a high level of preparedness in order to respond to and recover from emergency or other crisis
- Protect and maintain the City's investment in its infrastructure and emulate a standard of well-maintained properties
- Continue to support the existing business community and encourage new private sector development
- Continue to provide high service levels and quality-of-life amenities
- Employ technology to improve and expand service opportunities and the efficiency of service delivery

The City Council's vision is relied upon to prioritize resources to support the projects, programs and activities that have the greatest potential for achieving their goals and are intended to address the City's most pressing needs.

In order to effectively navigate the City Council's vision, it is essential for the Administration to maintain the appropriate staffing levels. Several staffing changes are proposed in the 2019 -2020 Operating Budget which reflects the funding for 261.04 full-time equivalent employees, an increase of 10.75 employees over the 2019 authorization

level. The majority of these employees will be added to the City's Public Works Department.

The budget also provides for a cost-of-living allowance for all union and non-union with the exception of department and division heads in the amount of 2.5% wage increase. As I am sure you will recall, the department and division heads are on a performance based pay system and as previously stated do not receive a cost-of-living adjustment.

The proposed budget also continues the provision of health insurance coverage to employees and retirees of the City.

Governmental Accounting and Budgets

Governmental accounting is based on the principal of accountability and is applied in the form of fund accounting. A fund is a self-contained accounting entity with its own assets, liabilities, revenues, expenditures, and fund balance. The City maintains operating, capital, and trust funds, all of which fall into one of the following three categories:

1. Governmental funds are used to account for tax supported activities. The fund types may be as follows:
 - General
 - Special Revenue
 - Capital Project
 - Debt Service
 - Permanent
2. Proprietary funds are used to account for business activities, including internal service activities, where goods or services are apportioned on a cost-reimbursement basis. The fund types are as follows:
 - Enterprise
 - Internal Service

3. Fiduciary funds are used to account for resources held by the government as a trustee or agent. The fund types are as follows:

- Agency
- Investment
- Pension
- Private Purpose Trust

Budgets are used internally and externally and are a force of law in that funds must be used in accordance with laws and regulations. Budgets include both estimated revenues and expenditures. A budget establishes a spending plan for a year and may only be adjusted during the year to reflect new opportunities or changes in circumstances with approval from the City Council.

General Fund Revenue

The FY 2019-2020 General Fund budget is balanced without the use of prior year reserves. The total General Fund Revenue Budget is \$22,931,490, which includes transfers in from other governmental funds of \$1,506,280 and contributions from enterprise funds in the amount of \$4,398,280.

Tax Rate and Tax Roll

Approximately 54% of the just value of property in the city is residential. 28% of the total value is commercial property and 8% is attributed to governmental and institutional property. Personal property values equated to 8.5% of the total.

The average taxable value of all properties increased by 8.04%. The total taxable property value of \$573,527,665 in 2018 increased to \$619,654,077 in 2019.

The proposed budget is based on a property tax rate of 8.7500 mills (one mill equals one dollar of tax per one thousand dollars in value), which is a reduction from the rate last year. In an ongoing

effort to reduce the City's overall tax levy, it is also a reduction for the fourth consecutive year in a row.

The total budgeted expenditures from all budgeted funds for FY 2019-2020 are approximately \$64,013,990 compared to \$59,583,390 for FY 2018-2019.

Capital Improvement Program

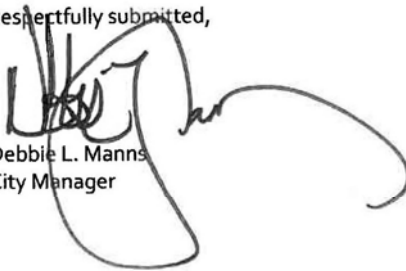

The total expenditures earmarked as capital expenditures for FY 2019-2020 is \$17,234,000. This amount represents \$2,820,000 more than what was budgeted in the previous fiscal year. Of that total, \$50,000 is dedicated to support general fund capital improvements, \$684,000 is appropriated for stormwater utility projects, \$580,000 is dedicated to parks and recreation, \$4,470,000 is dedicated to support public safety and public facilities, and \$1,235,000 is reserved for transportation. Additionally, \$5,665,000 is being allocated to water and sewer construction projects, \$1,350,000 is dedicated to redevelopment efforts, and \$3,200,000 is dedicated to road and street improvements. The capital budget is a five-year plan for capital expenditures.

Summary

In closing, I wish to thank all the members of the City Council for their direction in establishing the city's strategic plan, their steadfastness in the review and approval of this budget document and for their commitment to fiscal responsibility.

I would also like to thank the staff for their efforts in preparing the budget document. Your service and professionalism are appreciated. The budget is the result of many months of effort from both elected officials and City staff and is a long-term perspective and commitment to provide the best possible service at the lowest cost.

Respectfully submitted,

Debbie L. Manns
City Manager

ADMINISTRATION - CITY MANAGER

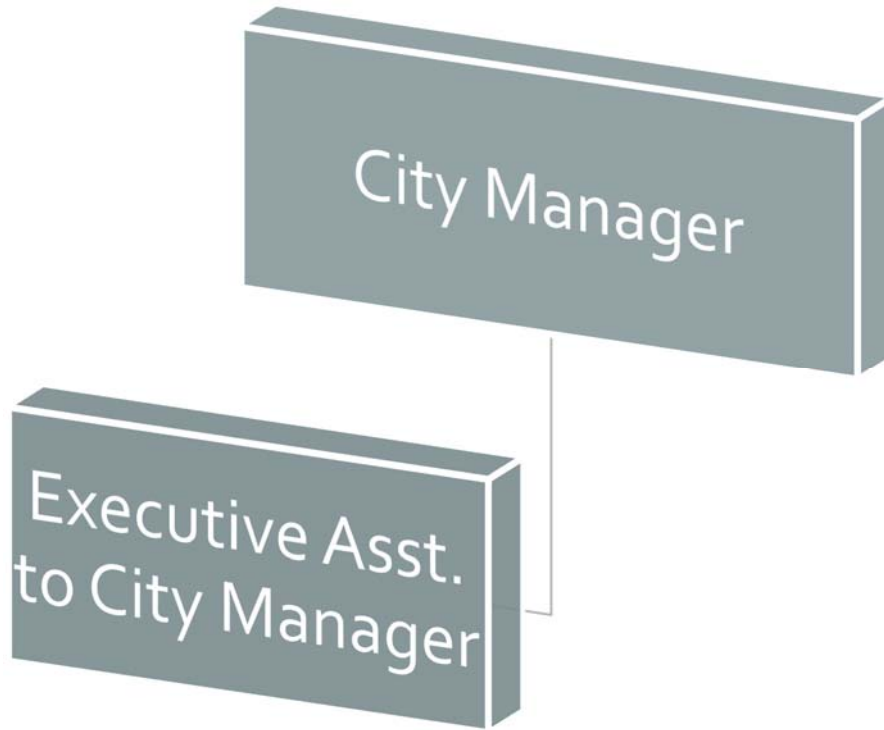

IT IS THE MISSION OF THE CITY MANAGER'S OFFICE TO

provide thoughtful, effective planning for the City's future growth and development and maintain effective communication between the City Council, city employees, and New Port Richey residents.

DESCRIPTION

The City Manager works on projects and initiatives that support the entire organization and benefit the community at large. As the umbrella for all other city departments, the City Manager facilitates and coordinates the work of all departments to ensure that policies and goals of the Council are met. Included in her duties are:

- Policy and Administration – The City Manager works directly with the City Council in policy making for the City and is responsible for the development of administrative action to ensure implementation of the City Council's vision, goals, and critical result areas.
- Communications - A majority of the communication to the City Council, the media, and general public comes through the City Manager. This includes the City's newsletter, press releases, and media briefings.
- Economic Development - The City Manager is the Executive Director of the Community Redevelopment Agency and leads efforts related to economic development within the City.
- Community Engagement - The City Manager is the liaison with neighborhood groups, social service agencies, civic groups, and other governmental bodies working to foster communication, collaboration and cooperation between and among these groups and the City.
- Intergovernmental Relations - The City Manager works with elected officials from the County, State, and Federal government to coordinate grants and legislative issues affecting our community.

FINANCE- BILLING & COLLECTION

IT IS THE MISSION OF BILLING & COLLECTION TO

provide accurate billing information to our customers and provide exceptional customer service at all times, serving with courtesy, honesty, and fairness.

DESCRIPTION

The Finance Department's Billing & Collection Division provides billing service for approximately 10,600 customers for water, sewer, street lighting, residential rental permits, and business tax receipts. The primary functions of this Division are:

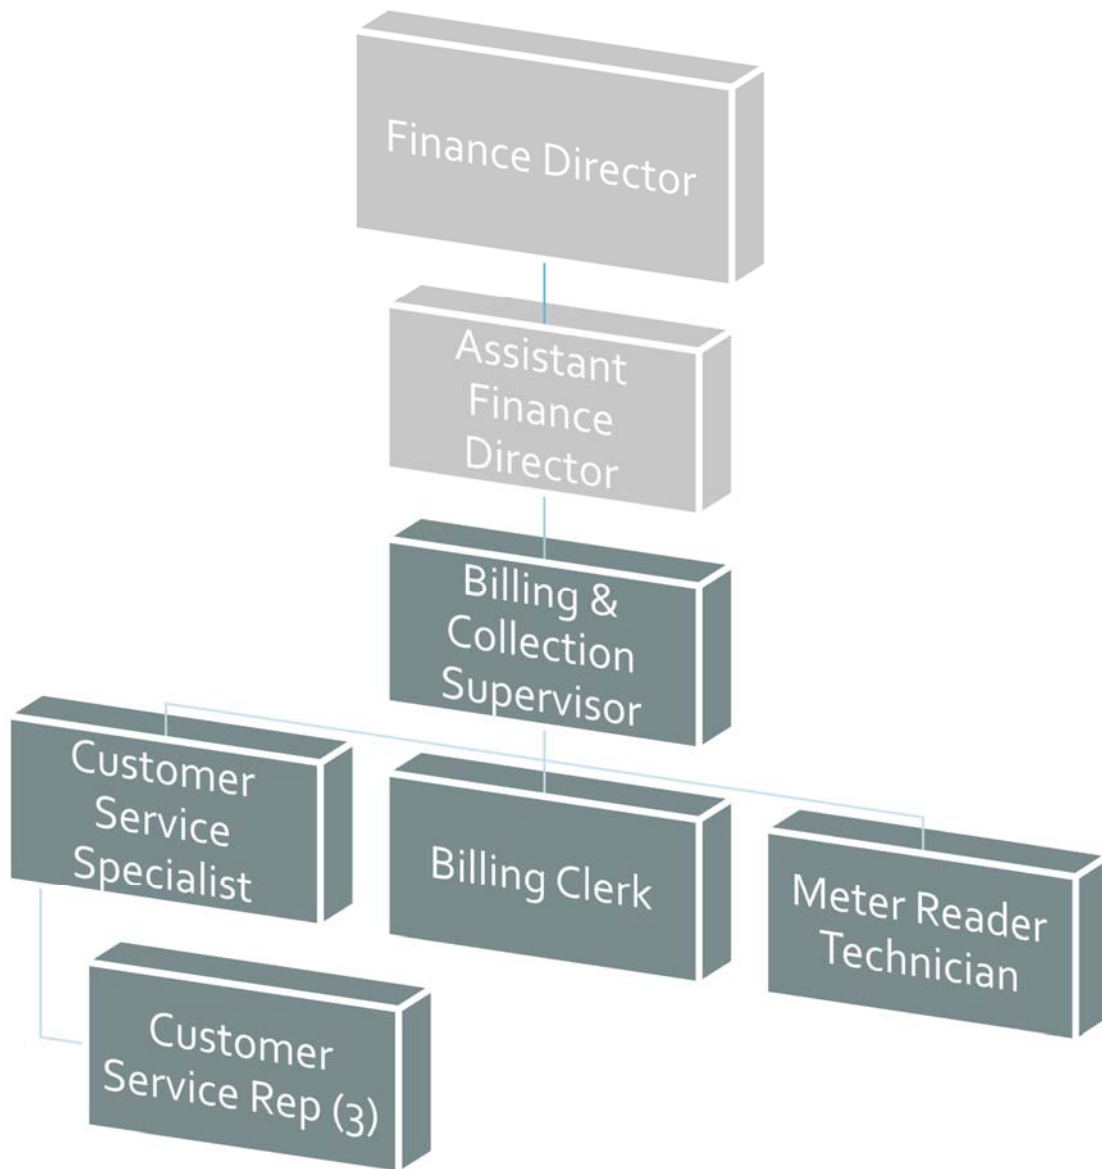

- Establishing and disconnecting water service
- Processing liens and releases of liens
- Processing title searches
- Renewing and processing new applications for business tax receipts and rental permits
- Take payments for city parking fines
- Take utility payments

ACCOMPLISHMENTS OF FY19

- Completed the conversion and implementation from the City's existing utility billing and cashiering program to Tyler Technologies
- Continued efforts to improve perception by incorporating new uniforms for employees and enhancing office space
- Added approximately 750 new customers to the billing system as a result of a new utility system purchase

FY20 INITIATIVES

- Improve reporting and analytical capabilities in the City's new Utility Billing Software
- Improve efficiencies over the City's Business Tax Receipt program

LIBRARY

IT IS THE MISSION OF THE LIBRARY TO

transform lives with a curriculum that improves literacy, engages community, advances knowledge, and sparks creative expression.

DESCRIPTION

The New Port Richey Library was founded in 1919 and is Florida's first *Library of the Year* recipient. The Library is a popular destination that connects our diverse community to free educational and cultural resources that will enrich their lives.

ACCOMPLISHMENTS OF FY19

- Improved customer service by upgrading to the Biblionix Integrated Library System, which expanded services to library members through the addition of text/chat notifications, automatic renewals, emailed receipts, a children's catalog and the ability to access digital resources directly through the catalog
- Increased public awareness of available opportunities, services, and resources through the specialized skill sets of a new part time marketing specialist, an outdoor digital library sign, two indoor digital screens with revolving announcements, and a new online event management software that allows library members to register for events and reserve meeting rooms with easy-to-use search and filter functionality
- Increased staffing to sustain increased hours by adding a full time Member Support Librarian and equalizing all Member Support staff positions to 29 hours per week. Provided more equitable access to technology for all community members by increasing the number of Wi-Fi hotspots available for loan from 13 to 30 and increasing internet bandwidth from 30 to 200 Mbps
- Expanded access to essential resources by updating the Collection Development Policy, Meeting Room Policy, all member and resource records, and applying for additional funding. Completed a full resource inventory three times to find and resolve inconsistencies in records. Applied for several grant funded opportunities including the Florida Department of State Public Library Construction Grant, Florida Humanities Community Project Grant, City Catalyst Grant, State Aid to Libraries Grant, Library Services and Technology Act Innovation (LSTA) Innovation Grant, and EBSCO Solar Grant. Of which, the last three were awarded to date

FY20 INITIATIVES

- Provide instructional classes, resources, and services that meet the educational and research needs of all members:
 - Evaluate online curriculum resources and make changes based on current needs and usage at least once per year
 - Teach members to become effective users and producers of information by offering a variety of classes and workshops based on community demand
 - Continue to evaluate the current collection and procure new resources based on the new Collection Dev. Policy
- Provide outstanding customer service from well-trained staff:

- Continue to schedule one professional development training each quarter
- Continue to provide additional training in technology, customer service and ADA compliance through webinar and one-on-one sessions
- Evaluate physical space to best accommodate community needs:
 - Continue to evaluate current shelving and furnishing needs to make changes towards full ADA compliance
 - Continue to work with Williams Architects on library renovation plans designed to meet the needs of the community
 - Apply for grant funding from the state and other foundations

FIRE & EMERGENCY SERVICE- FIREFIGHTING

IT IS THE MISSION OF FIRE & EMERGENCY SERVICE – FIREFIGHTING TO

protect the lives and property of the citizens and visitors of New Port Richey by providing the highest possible levels of service through fire prevention, public education, fire suppression, emergency medical services and mitigation of the effects from natural and man-made disasters, consistent with resources provided.

DESCRIPTION

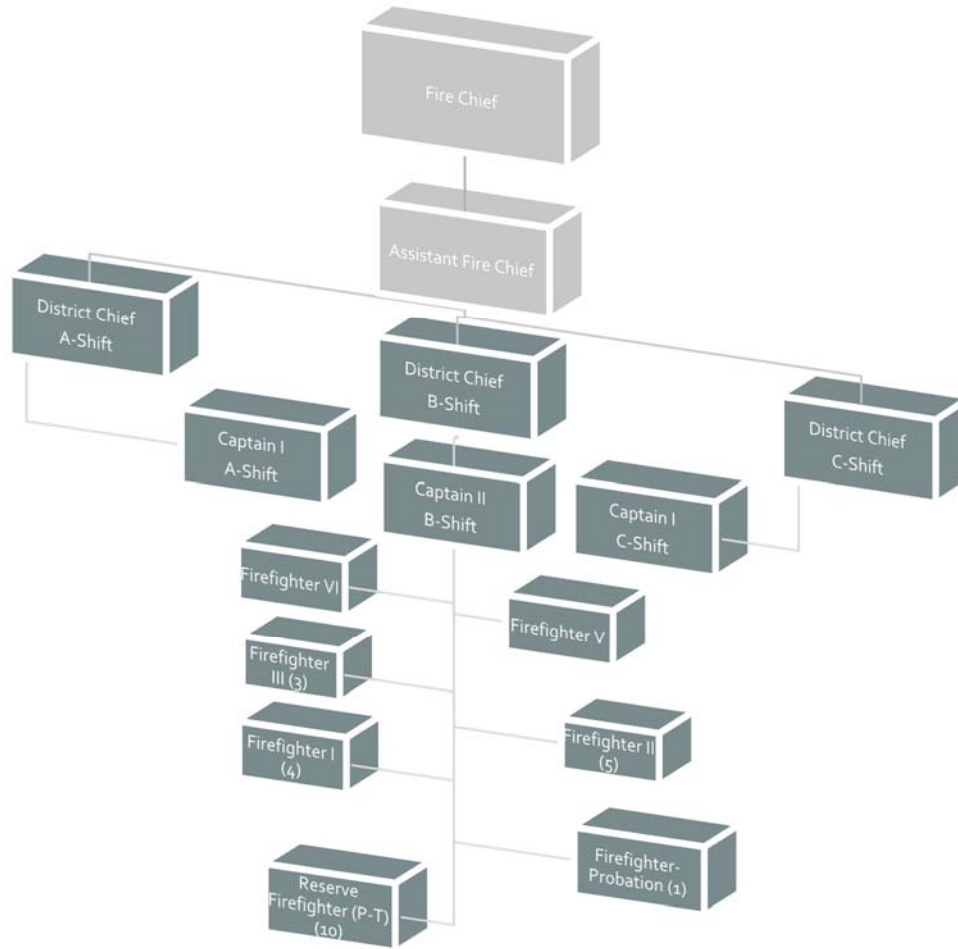

The Fire Department includes 2 stations to respond to emergencies as quickly as possible. In addition to providing fire protection services, the Fire Department responds to many other emergencies, including emergency medical service calls, hazardous materials spills or releases, hazardous traffic and weather conditions, water rescue and recovery, technical rescue and any other natural or man-made emergency. In addition to emergency services, the Fire Department provides a number of nonemergency services to ensure the safety of our community, including inspections for all new buildings, buildings undergoing renovation, and local businesses to make sure they meet the fire safety code.

ACCOMPLISHMENTS OF FY19

- Responded to nearly 5,000 calls for service, completed over 5,000 training hours, assisted in the completion of 1,026 fire safety inspections and hosted 16 educational tours of Fire Station #1
- Personnel staffed a successful Residential Rental Inspection Division conducting 2194 inspections resulting in 98.3% compliance
- All personnel completed level III hands-on facility training at Pasco Co. Training Center with neighboring fire departments
- In addition to participating in all City events, the Fire Department successfully completed several community education programs with City schools and businesses in the instruction of fire safety, fire extinguisher use, CPR/AED use and Hurricane Preparedness
- Hose testing was completed on all supply and attack hose certifying it's safe use and reliability
- Ladder testing was completed on all ground ladders and the aerial certifying the safe use and reliability

FY20 INITIATIVES

- Continue to increase personnel certification levels through continuing education:
 - Paramedic Program
 - Firefighter Certifications
- Continue to participate in level III facility training with other surrounding agencies which builds a strong working relationship
- Operate at a staffing level of 7 per shift meeting OSHA 2 in 2 out rule as well as NFPA guidelines which results in improved firefighter safety and provides a better service to the community
- Continue our mission of providing the highest level of fire and advanced life support service to the residents and visitors of our City

PARKS & RECREATION - AQUATICS

IT IS THE MISSION OF AQUATICS TO

create memorable recreational parks and aquatic experiences for all.

DESCRIPTION

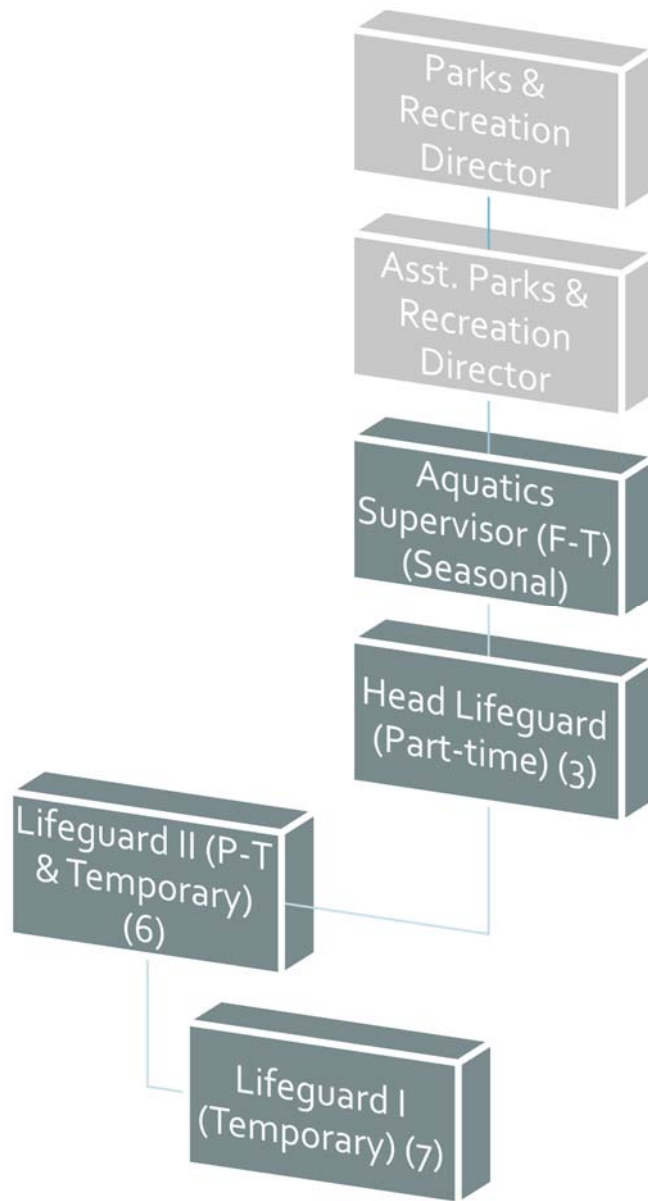

The New Port Richey Recreation & Aquatic Center is a state-of-the-art facility, which offers a variety of affordable recreational activities and athletic training opportunities for everyone. With programs for children, seniors, and adults, the facility has become an integral part of the fabric of the community.

ACCOMPLISHMENTS OF FY19

- Successfully executed our Aquatic Center pool deck renovation project which included the addition of new sun shades, new netting for our island areas, new speakers for our fourth pool deck zone, new portable ADA aquatic lift, new drink filling stations, and repaired both the Kiddie and Plunge Pool slides to improve the functionality, safety, and aesthetics of our Aquatic facility
- Successfully executed our Recreation and Aquatic Center's locker room improvement project which included the painting of each of the three areas, the installation of our three swim suit dryers, and soon to be completed installation of epoxy flooring
- Successfully executed the Jasmin Park improvement project which included the addition of new stained sidewalk, walkway, sod, picnic table, park benches, and trash cans
- Successfully secured Rose's Bistro Off Main to provide healthy food options in our facility's concession stand for our patrons and guests to improve on our quality customer service and overall guest experience. Also successfully secured the Tampa Bay Aquatic Club swim team to provide a quality, competitive age group swim team and Master's swimming program for our swimmers

FY20 INITIATIVES

- Continue to expand and improve our Recreation and Aquatic Center program offerings which include group swim lessons, private swim lessons, CPR certification courses, Whales Tales Water Safety Lessons, potential programming, and partnerships with local schools/athletic teams, and special events
- Continue to improve our Recreation and Aquatic Center facility through upcoming projects such as facility lighting improvements, gymnasium flooring improvements, pump room and pool deck upgrades, etc.
- Successfully execute the Frances Avenue Park shelter improvement project, and also continue making progress on both Phases I and II of the James E. Gray Preserve improvement project
- Become a Certified Parks and Recreational Professional

PUBLIC WORKS - STREET LIGHTING FUND

IT IS THE MISSION OF THE STREET LIGHTING FUND TO

administer the City's street lighting assessment program within the guidelines of Ordinance No. 1704, Street Lighting Assessment Act.

DESCRIPTION

On August 21, 2003, the City Council approved the implementation of a street lighting assessment as a way to fund the costs of street lighting services for residential and commercial properties within the City of New Port Richey. This assessment is becoming more common in local municipalities as it is a more equitable way to pay for street lighting services.

PUBLIC WORKS - STORMWATER UTILITY

IT IS THE MISSION OF STORMWATER UTILITY TO

have a proactive inspection program that identifies flood prone areas, remediates those areas, expands or enlarges existing systems to eliminate the flood areas identified, and to improve water quality and quality of life for its residents, where applicable. This mission includes unfunded mandates and requirements of the Florida Department of Environmental Protection's National Pollution Discharge Elimination System Permit.

DESCRIPTION

The Stormwater Utility Division is a special purpose service unit within city government that provides stormwater management, as required by the Environmental Protection Agency. This Division maintains 5 miles of ditches/canals and 40 miles of stormwater pipes. In addition, this Division cleans and repairs catch basins, storm drain pipes, and ditches, while rebuilding or adding new structures, as needed.

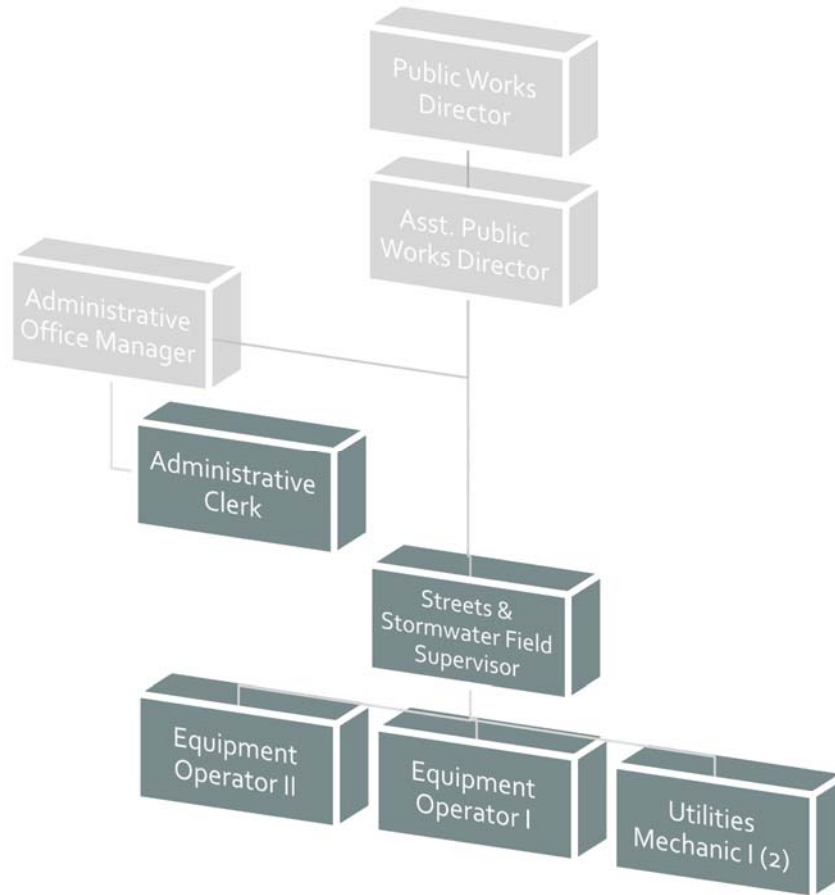

ACCOMPLISHMENTS OF FY19

- Completed Russ Park drainage project
- NPDES Maintenance Activities:
 - Continued facility inspection and maintenance of CDS units, pipe, catch basins, and outfalls
 - Continued catch basin tag identification and "No Dumping" stencil installations
 - Continued street sweeping program on all curbed streets
 - Continued sediment removal and re-grading of stormwater ponds, existing ditches and swales
- Emergency Work:
 - Immediate remediation of damaged stormwater pipes that have been damaged from uprooted trees from storms
- Repaired and restructured sand bag area at the Fleet Warehouse
- Fenced the area, concrete pad for sand bag machine and made it safer for the public to access and our workers to feed sand to the pile

FY20 INITIATIVES

- Storm Pipe Maintenance:
 - Continue to remove/replace and repair storm drain lids where identified
 - Remove sediments from Maplewood retention pond
 - Identify and repair stormwater pipe failures
- Stormwater Permit:
 - Continue stormwater inspections for our stormwater permit. Ex: ditches, swales, catch basins and pipes
 - Start regular route of stormwater drain cleaning and inspections
 - Make adjustments to City's stormwater infrastructure to be in compliance with stormwater permit
- Flood Control/Storm Situations:
 - Keeping all drain grates cleared and flowing during rain events

- Continue being proactive during weather events like closing flooded streets and/or pedestrian safety concerns
- Continue working safe and effectively during weather events
- Job Safety:
 - Send employees to stormwater classes and CDL classes

CAPITAL IMPROVEMENT

DESCRIPTION

The Capital Improvement Fund is used to account for all the governmental capital projects throughout the City. The fund's primary revenue source is the "Penny for Pasco" local discretionary sales surtax. These funds may be used for the following:

1. Finance, plan, and construct infrastructure
2. Acquire land for public recreation, conservation, or protection of natural resources
3. To finance the closure of county or municipal-owned solid waste landfills that have been closed or are required to be closed by order of the DEP.

Capital projects budgeted for in the Capital Improvement Fund are included in the City's Capital Improvement Program (CIP).

PUBLIC WORKS – WATER PRODUCTION

IT IS THE MISSION OF WATER PRODUCTION TO

operate, maintain, and manage the City of New Port Richey's Joseph A. Maytum Water Treatment Plant in the professional manner required to deliver a reliable and adequate supply of safe drinking water, at a pressure that meets the safety and needs of all our customers throughout the distribution system.

DESCRIPTION

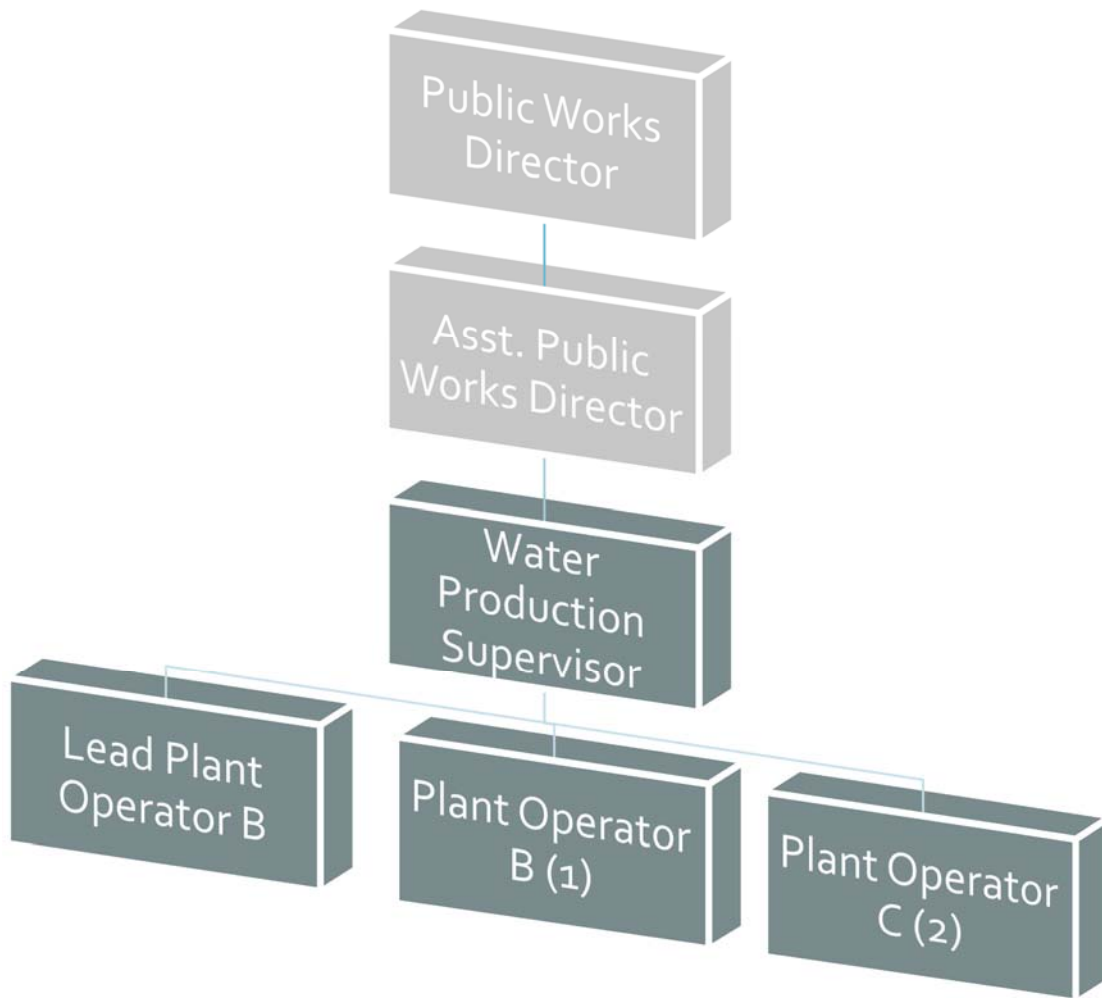

The Water Production Division is responsible for providing residents with water that meets or is better than standards set by the Environmental Protection Agency (EPA).

ACCOMPLISHMENTS OF FY19

- Produced a quality drinking water for delivery to City and Region on a consistent basis
- Maintained proper system pressure and disinfectant and fluoride levels throughout the distribution system
- Replaced Bleach Tank #1 and Ammonia Day Tank
- Installed new bleach feed line
- Installed conduit between fluoride building and pump room and through pump room into PLC room to prepare for fiber cable installation to complete Phase II of SCADA System replacement
- Incorporated Orangewood Lakes Estates Water System into the City of New Port Richey's water system
- Completed elevated tank inspection and determined it was still in serviceable condition
- Replaced pH benchtop meter in lab and began testing new calibration standards with our current Fluoride benchtop meter to see if we could continue to keep it in service

FY20 INITIATIVES

- Monitor legislation impacting the rules and regulations of the water treatment industry
- Adjust and complete UCMR 4 Sampling
- Replace Fluoride Tank and piping
- Replace impellers and repack transfer pumps
- Complete Water Plant grounds enhancements – new sign and landscaping
- Replace furniture and flooring in offices and replace chairs at console
- Replace fence around elevated storage tank
- Replace telephones
- Rescreen Aerators

PUBLIC WORKS – WATER & RECLAIMED WATER DISTRIBUTION

IT IS THE MISSION OF WATER & RECLAIMED WATER DISTRIBUTION TO

maintain and upgrade the City's potable water system. To demonstrate a high level of service that includes, but is not limited to, proactive maintenance activities, expansion of the water system where possible monitor and evaluate all current regulatory requirements, a one hour response to emergency water breaks, a 24 hour response to all internal and external inquiries, and finally to demonstrate a high level of professionalism to all City residents and Utility customers.

DESCRIPTION

The City of New Port Richey has in excess of 9,700 water services, ranging in meter size from 3/4 inch to 10 inches. These services provide water to businesses, trailer parks, offices, restaurants, medical facilities, and individual and bulk customers. The Water Distribution Division oversees these water lines, which total over 131 miles, and range in size from 1 1/2 inches to 30 inches in diameter.

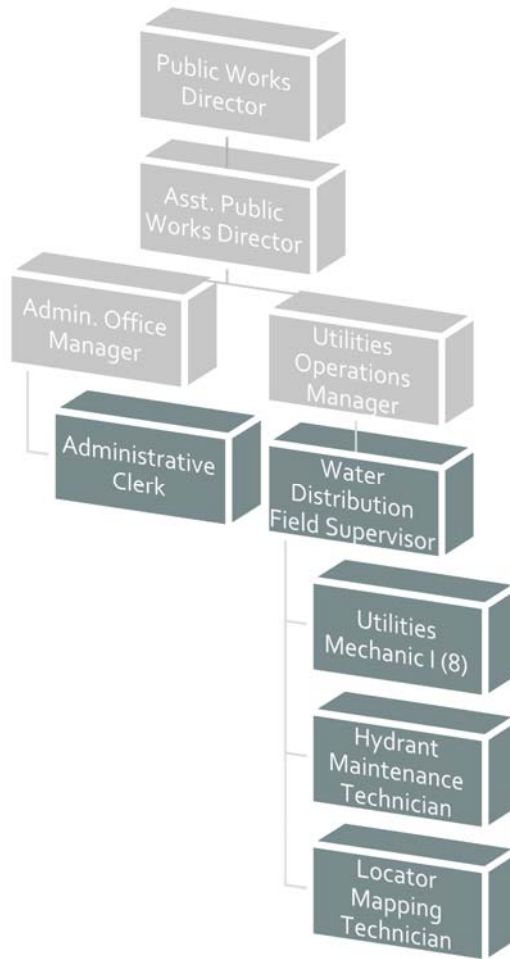

ACCOMPLISHMENTS OF FY19

- System Acquisitions:
 - Completed installing meters and meter boxes in Lakewood Villas
- Continued with the proactive valve and hydrant maintenance and mapping:
 - Repaired, replaced and raised hydrants where needed
 - Replaced valves as needed
 - Mapped and record measurements for work done or facilities located
- Continued Training:
 - Completed backflow training and certification for two employees
 - Completed water distribution classes and State certifications
 - Equipment and machinery training for all personnel completed

FY20 INITIATIVES

- Complete Orangewood Lakes Meter Transition:
 - Replace all meters with our water distribution system's lpearl meters in a smooth and timely manner
 - Replace meter boxes and move them into their correct spots on the property
 - Replace leaking or broken main valves
 - GPS pin pointing of valves, blow-offs and watermains for City maps
- Watermain Valves:
 - Test valves in pre-planned areas throughout the city to see which need replacement
 - Put together a "problem valves" list to strategically repair/replace valves
 - Get a list together for valves that need to be raised/lowered and need valve pads per City specs

- Fire Hydrant Technician / Backflow Testing:
 - Implement improvements to the fire hydrant technician and back flow testing job description
 - Give that person the proper training that they will need to be efficient and thorough
 - Combine backflow testing and fire hydrant testing

PUBLIC WORKS – RECLAIMED WATER PRODUCTION

IT IS THE MISSION OF RECLAIMED WATER PRODUCTION TO

protect health and the environment by operating and maintaining the reclaim water production facility at its highest efficiency. Comply with regulatory requirements and produce high quality water for beneficial reuse. Be innovative and creative to hold cost to a minimum.

DESCRIPTION

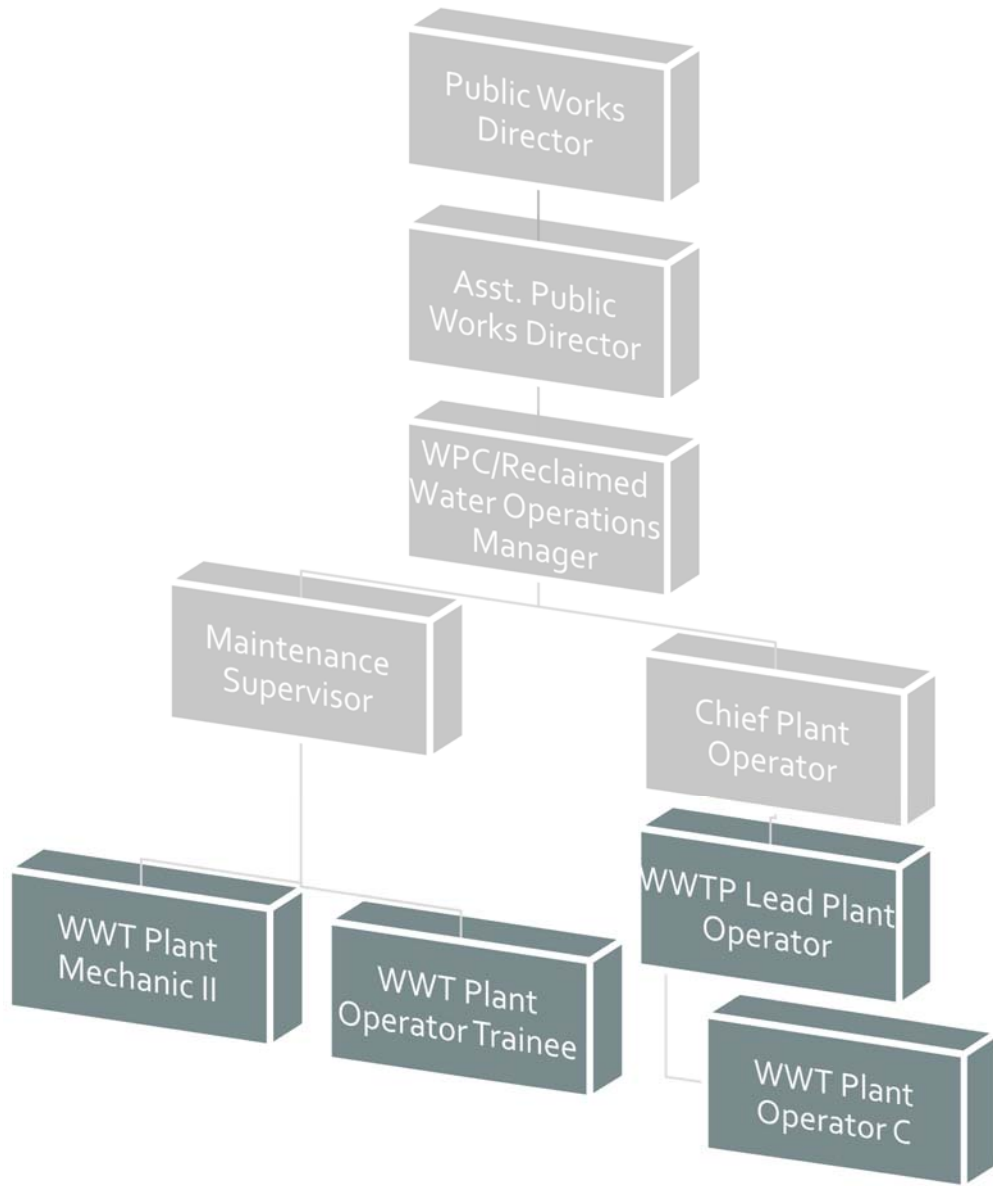

The Reclaimed Water Production Division is responsible for the operation of the wastewater treatment plant and producing and providing reclaimed water for beneficial reuse.

ACCOMPLISHMENTS OF FY19

- Produced and distributed 1.9 billion gallons for beneficial reuse
- Continue to seek out ways to be more energy efficient
- Continue to learn about the latest technology for reclaimed water treatment, use and production
- Continue to coordinate with Pasco County's reuse operations personnel for efficient integration into their system

FY20 INITIATIVES

- Continue to provide high quality reuse water for beneficial reuse
- Continue to seek out ways to be more energy efficient
- Permits:
 - Complete reuse section for the WWTP's operating permit
 - Identify guidelines, procedures, capital, and operating costs associated with reuse discharging

IT IS THE MISSION OF SEWER COLLECTION TO

maintain and upgrade the City's sewer collection system whenever and wherever possible. This division strives to remain current with today's technology and to implement that technology into our system and everyday routine. Most importantly, great effort is made to ensure that all staff are trained and prepared for any event that might jeopardize the integrity of the City's sewer collection system. The highest level of service and professionalism is expected and shall be maintained.

DESCRIPTION

The Sewer Collection Division maintains and repairs over 8,000 sewer services, including clearing of blockages and repair and replacement of defective sewer services. Sewer collections is also responsible for the maintenance of sewer force mains, ranging in size from 4-16 inches long, and 65 lift stations that these lines pump to.

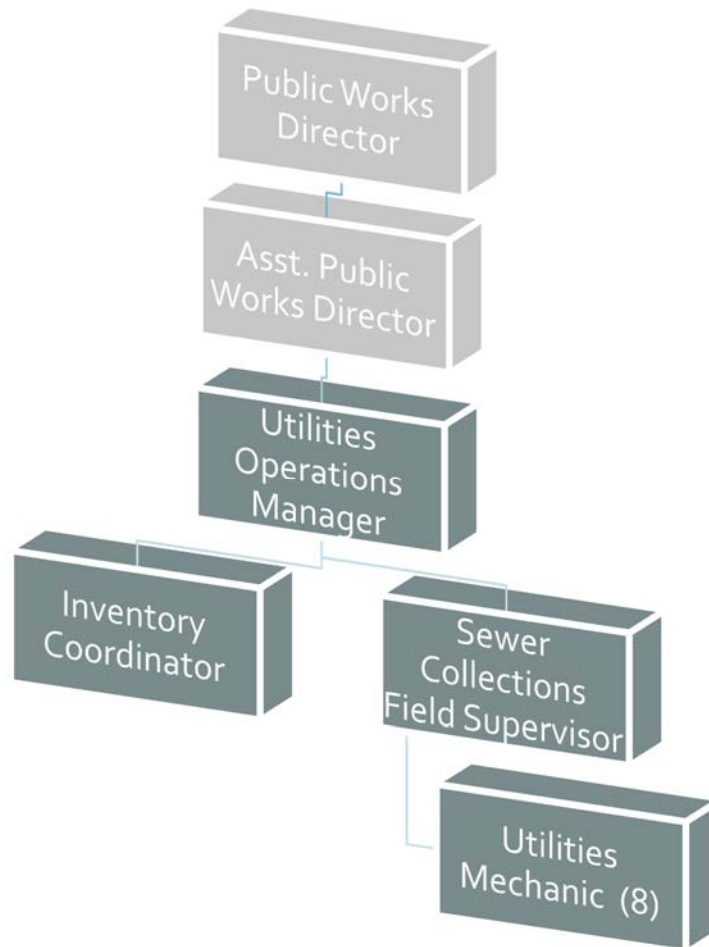

ACCOMPLISHMENTS OF FY19

- Completed annual gravity sewer system inspection and lining \$300,000.00 annually to control/prevent deterioration of our sewer system. Sewer crews will continue to clean, inspect and record our sewer system to find areas in need of lining.
- Completion of the inflow/infiltration (smoke testing) project. This project identified areas of inflow/infiltration of stormwater in to the sanitary sewer system. System deficiencies and ranking were included in a report for staff to schedule and perform corrective measures. Phase 2 included the installation of over 100 manhole inserts in an effort to reduce stormwater inflow and reduce treatment costs.
- To repair and replace pumps in the lift stations. We were able to talk to a couple pump manufacturers to see which pump(s) will best suit the City financially and mechanically. Created a pump test between Wilo and Flygt to add to City standard
- Continue training/education. We were able to have Bucket Truck Training, Asbestos, and collections training this year that will prove to be useful to City staff.
- Hurricane Irma: During the hurricane the City had total power loss. Crews were running generators back and forth from lift station to lift station.

FY20 INITIATIVES

- Complete Communication Upgrades:
 - SCADA Upgrades
 - Install antenna towers at each lift station
 - Lift station panel upgrades with new PLC's
 - SCADA Room "Command Center" computer and monitor set up
- Complete Inflow / Infiltration Phase 2:
 - Repair broken cleanouts
 - Complete the installation of manhole pans to prevent inflow
 - Remove storm lines that have been connected to the system
- Continue Sanitary Sewer Pipe Lining:

- Cleaning and camera work of the lines will be done in coordination with this project
 - Identify deficient sanitary sewer lines
 - Prioritize deficient sanitary sewer lines and create a data base
 - Complete bid documents, specification sheets, and oversee the project implementation
- Complete Submersible Pump Tests:
 - Wilo and Flygt pump lift station pilot test first year conclusion
 - Monitor the power usage for efficiency
 - Keep a very detailed log of the pumps performance and issues
 - Make an informed decision for the city specs for future use

PUBLIC WORKS - CENTRAL GARAGE

IT IS THE MISSION OF CENTRAL GARAGE TO

maintain the City's Fleet of vehicles and equipment in a dependable, safe, and environmentally sound condition. All of which includes a scheduled maintenance program to create a proactive approach in keeping maintenance cost down in an attempt to avoid major repairs.

DESCRIPTION

The Central Garage Division provides acquisition, disposal, preventative maintenance, and major and minor repairs for the City's motor vehicle fleet and equipment. The Division performs these functions on a variety of vehicle types, including police vehicles and fire apparatus.

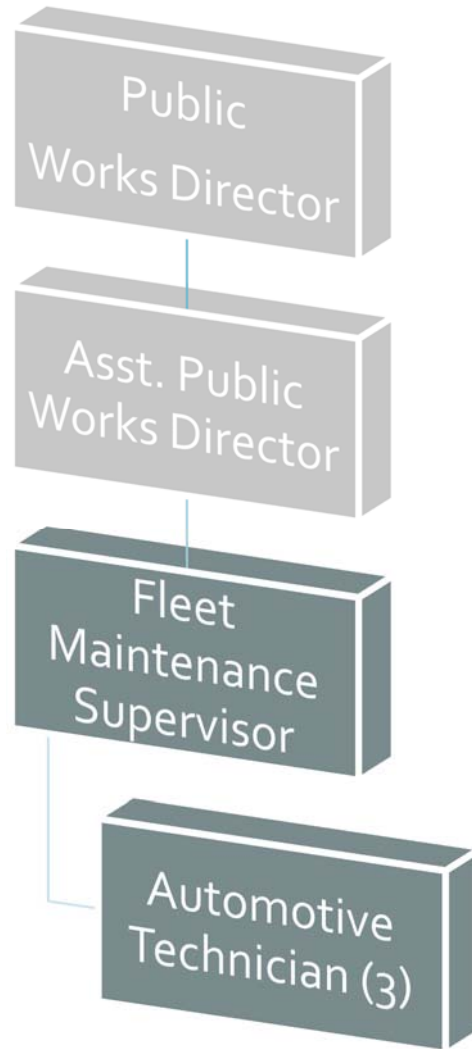

ACCOMPLISHMENTS OF FY19

- Created a welding section in the shop, built a frame and installed a welding curtain for the safety of our employees and others coming into the shop
- Purchased 150 gallon Diesel Fuel tank that is kept on one of the fleet trucks. This way we can spend more efficient time fueling equipment during a storm. Instead of running back to the shop to fill a 55 gallon drum for each piece of equipment. We can now fill up to three pieces of equipment at a time.
- Training & Schooling: Employees obtained additional training for various equipment in an effort to remain up to date with the latest repair technology and to improve on testing techniques.
- Spent a lot of time preparing each Impound Auction to keep the City impound auction sales moving. This included but not limited to, the inspection vehicle's and condition evaluation of the vehicle's worth, so the City could get the maximum revenue at auction.

FY20 INITIATIVES

- Capital Building Improvements:
 - Complete Building Needs Assessment
 - Assist in identifying building deficiencies and proposed upgrades / improvements
 - Assist in identifying proposed yard set up for vehicles, materials, and equipment storage
 - Assist in the purchase of two new fire trucks
- Training:
 - FEMA training for all personnel
 - Supervisory 101, 102, in accordance with the City's Human Resources and Risk Management Department
 - ASE testing and recertification for personnel
 - Emergency vehicle training and certification for personnel
- Fleet Operational Improvements:
 - Preparing for the new Tyler system to be implemented
 - Clear out all the old clutter that has been stored here for years on top of the offices
 - Install a few more LED lights to light up the dark areas of the shop for safety reasons

- Environmental Improvements:
 - Switched to as many environmentally friendly chemicals as possible
 - Converting the Fleet, when possible, to efficient Environmentally Friendly vehicles

STREET IMPROVEMENT

DESCRIPTION

The Street Improvement Fund is a special revenue fund, required by Florida Statute 336.02, to account for revenues and expenditures used for the operation and maintenance of transportation facilities and associated drainage infrastructure. Activities include road and right-of-way maintenance (e.g. patching, mowing), bridge maintenance and operation, traffic engineering, traffic signal operation, traffic control signage and striping, sidewalk repair and construction, and maintenance of ditches, culverts, and other drainage facilities. Resources to support these activities are provided from Local Option Gas Taxes (LOGT), a 6 cent per gallon local option gas tax revenue.

Projects budgeted for in the Street Improvement Fund are included in the City's Capital Improvement Program.
