RE: New Port Richey Aquatic Center Site Lighting Change Out  
Attn: Chris Bornfleth

We are pleased to provide you with this proposal for the above referenced project based on site visit and data provided from conversation. The following scope applies.

**Scope of Work**

1. We replace existing pole light fixtures with new LED.
2. Replacement will be a one for one change out. We have not included any additional poles or fixtures.
3. We will re-use existing circuits and controls.
4. All conduit and wire is existing to remain.
5. Price is based on our design. Any additional items will be an additional charge.
6. We will require adequate access for the installation.

**Total Electrical Bid**

**\$67,620.00**

Please feel free to call with any questions.

Respectfully,

*Rob Schmidt*
