Ms. Judy Meyers, City Clerk and Public Information Specialist
5919 Main Street
City of New Port Richey
New Port Richey, FL 34652

Dear Ms. Myers:

This letter is my notice of interest for the soon to be vacated position on the City Council.

I meet the requirements of the position. I have lived in the city since May of 2019, and previously lived at another home in the city for 10 years. I am a registered elector.

I have worked in local government for almost 30 years. I have worked in planning, community development and affordable housing, and have extensive knowledge of county and city operations, as a former employee of both. I firmly believe that government can make lives better and that is why I believe in public service.

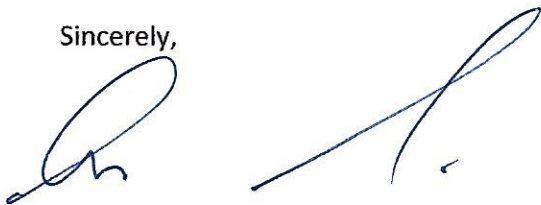

Throughout my career, I have worked in a collaborative manner to complete tasks, and I believe my skills and knowledge would be an asset to the council in both decision making and directing the future of the city.

I know this city well – from both the inside and the outside. We have made great strides in improving the living conditions of our residents and the economic conditions for our businesses. There is more that we can do. Our city is large enough to do big things, but small enough to reflect the will of the people and remain in touch with our residents.

I have been active in the community my whole life. I have served on the several boards, including the United Way and the Homeless Coalition. I am currently the Council Commissioner for the Greater Tampa Bay Area Boy Scout Council, which is the senior volunteer in uniform for the organization.

The house my wife and I reside will be our last house. We plan to work and then retire in the city. We want the city to be place that all people of all ages can thrive and enjoy. I have the skills and the passion to be part of that effort.

Sincerely,
