RE: City of New Port Richey Single Waste Hauler System

Dear Mr. Peterson:

I would like to take this opportunity to extend my thanks to you for attending the recent meeting regarding the City of New Port Richey's desire to improve our waste hauling system. We believe we can make significant improvements to better serve our residents and benefit both the City and companies providing waste hauling services. As a follow up to our meeting, please accept this letter as official notice that it is the City's intent to move towards a single waste hauler system. Therefore, a public hearing has been scheduled at a special meeting of the City Council on Tuesday, February 2, 2021 at 6:00 p.m. The public hearing will take place in the Council Chambers, City Hall, 5919 Main Street, New Port Richey. The purpose of the public hearing is to seek comments regarding the City's intent to move to a single hauler system and to provide the required notice to all haulers currently holding a franchise agreement with the City of New Port Richey. You are strongly encouraged to attend. Due to current CDC guidelines, please be sure to bring an appropriate face covering with you to the meeting.

Should you have any questions regarding this matter, please contact our Assistant City Manager, Rodd Hale, at (727) 853-1033.

Best Regards,

Debbie L. Manns
