25 September 2018

Mr. Dennis Fodi  
Pasco County  
8744 Government Drive  
New Port Richey, Fl. 32654

**Subject: Sole source for Harris 800 MHz sales and service**

Dear Dennis:

The Pasco County owned Harris EDACS 800 MHz radio network is proprietary and is only manufactured by Harris Corporation. Williams Communications, a certified Harris Network Service Provider, is the sole authorized service provider for the Pasco County system. **Williams Communications is authorized to do maintenance on behalf of Harris Corporation.**

Harris trunked public safety radio equipment and software can only be purchased indirectly from the authorized Harris Service Provider Williams Communications, or directly from Harris Corporation.

Thank you for choosing Harris for your communications system needs.

If you have any further questions, please call me at 407-748-4735.

Respectfully,

Nick Scardino
