

NEW PORT RICHEY POLICE DEPARTMENT

Chief Kim Bogart

MEMORANDUM

TO: Debbie Manns, City Manager

FROM: Kim Bogart, Chief of Police

CC: File

DATE: June 3, 2021

SUBJECT: Recommendation regarding Golf Cart Operation Restrictions on Certain Streets.

Subsequent to Council's discussion regarding lifting golf cart operation restrictions, I have studied the affected areas. I am still of the opinion the restrictions should remain in place. Those are feeder streets which are heavily traveled and I firmly believe the risk to golf cart operators is high. Alternate routes are available through the neighborhoods that will allow operators and passengers to safely get to downtown and other likely destinations.

The proposed amendments to the ordinance clearly explain how operators can safely cross the feeder streets.
