SEI Project No. 2020-23

SUBJECT: Bid Evaluation

Dear Mr. Rivera,

As you know, the City received bids from six (6) Bidders for the above referenced project on July 1, 2021, with a public bid opening on July 2, 2021, at 2 PM.

After analyzing the proposals, we suggest rejecting all bids at this time. Unfortunately, due to the unprecedented current materials and labor market, the costs exceeded the proposed budget. We request permission to rebid the project.

Please let us know if you have any questions or comments.

Sincerely,
