Re: City of New Port Richey, FL - Sole Source Letter

Dear Mr. Wikholm,
For your records and reference, ChemScan, Inc. (formerly known as Applied Spectrometry Associates, Inc.) is the sole source manufacturer of the ChemScan Process Analyzer Systems, as well as ChemScan Sensors, Probes and Controllers. These system includes patented and proprietary optical subassemblies, circuit boards, filter systems, associated accessories and software.

ChemScan, Inc. is the only authorized source of supply for original equipment, calibration services, product upgrades and repair parts.

ChemScan, Inc is represented in Florida by:
EnviroSales of Florida, Inc.
P.O. Box 3446
Sebring, FL 33871
Phone (863) 314-0616

EnviroSales of FL is the exclusive representative for municipal sales of ChemScan products in mainland Florida, including the City of New Port Richey area. They are the only authorized entity that works with ChemScan and its clients to enable the procurement of these proprietary items in the region.

Quotations for products, parts or service may be obtained from EnviroSales of FL but orders should be placed directly with ChemScan, Inc.

Sincerely,
ChemScan, Inc.
