Rec'd 11/21*

Full description of each vehicle and all equipment to be used for collections:

The following information must accompany this application:

1. Written permission from the proper governing body to use the disposal site (Pasco County Landfill). ✓
2. Name, address, age and exact duties of all employees who will be working within the city limits. ✓
3. The number of accounts served, including any you plan to contract with, and a breakdown by classification as to whether residential, commercial or industrial accounts. ✓
4. A complete rate schedule along with a statement by the applicant that any change in rates will be filed with the City Clerk at least 30 days prior to effective date of change. ✓
5. A statement by the applicant that collection of garbage, trash and refuse shall be available for each account at frequency of no less than two (2) times per week, at intervals of not less than three (3) calendar days between collections or at such other frequencies and intervals of time as the applicant and the customers shall agree upon. ✓
6. A statement by applicant that all collection equipment shall be of a type generally manufactured for the collection of refuse. ✓
7. Certificate of insurance coverage complying with requirements as set forth in Section 10-42 (4) of New Port Richey City Code Chapter 10, Article II, Division 2, stating that "Such person shall

(4) Be insured by a comprehensive liability insurance policy in an amount not less than one hundred thousand dollars (\$100,000.00) per person bodily injury, three hundred thousand dollars (\$300,000.00) per occurrence, and twenty-five thousand (\$25,000.00) property damage per occurrence, and that the employees of such person are properly insured as required by F.S. Chapter 440, and that the insurance shall be evidenced by delivering a certificate of such insurance with the application for such a permit." ✓
8. A permit fee of \$500.00 payable to the City of New Port Richey, Florida. ✓

Addendum O-1

Service Provided:

Waste Connections of Florida, Pasco District will provide for the sanitary collection, transportation and disposal of non-hazardous solid waste from residential, commercial and industrial customers.

Residential collection shall consist of twice weekly garbage service and once a week recycling at the curb. Unlimited collection of a reasonable amount of household garbage is provided. A limit of (3) items may be imposed on abusers. Exceptional amounts of trash or bulky items will be picked up with the charges being based on time and cost negotiated with the customer.

Commercial and industrial customers shall be serviced by 1 – 40 cubic yard containers, picked up one to six days per week as required by the customer. Stationary compaction equipment is available to the large volume producer.
