

Purchase Division Form
(02/05)

Subj: SOLE SOURCE JUSTIFICATION REQUIREMENTS

From: (Dept.) Police - Patrol (64)
To: 044

Date: 12/16/2021

Ref: (a) Requisition # 22000659

Contractor: Williams Communications

(10) radios @ \$3,435.09

Item: Mobile XG25M In-Car Radio

Est. Cost: \$ 34,350.90

Required Delivery Date: ASAP

In accordance with reference (a) the following is submitted.

a. A brief description of the intended use or application.

Allows police officers to effectively communicate with dispatchers and other officers while in their vehicles or the field.

b. Description of the critical or unique features (patent, copyright, proprietary, etc) which show no other item or source can satisfy the City's need.

The Harris EDACS radio equipment used by the police department is proprietary and only manufactured by Harris Corporation. Williams Communications is a Harris network provider and is the sole authorized service provider for our area.

c. Describe the alternatives reviewed, which led to the conclusion that only this particular source of product can meet the requirement.

NA

The above information must be certified as to the accuracy of the facts and representations contained in the request.

Department Head

City Manager

The above facts have been reviewed and approved for sole source procurement and the anticipated cost to the City will be fair and reasonable.

Mr. Dennis Fodi
Pasco County
8744 Government Drive
New Port Richey, FL 32654

Subject: Sole source for Harris 800 MHz sales and service

Dear Dennis:

The Pasco County owned Harris EDACS 800 MHz radio network is proprietary and is only manufactured by Harris Corporation. Williams Communications, a certified Harris Network Service Provider, is the sole authorized service provider for the Pasco County system. Williams Communications is authorized to do maintenance on behalf of Harris Corporation.

Harris trunked public safety radio equipment and software can only be purchased indirectly from the authorized Harris Service Provider Williams Communications, or directly from Harris Corporation.

Thank you for choosing Harris for your communications system needs.

If you have any further questions, please call me at 407-748-4735.

Respectfully,

Nick Scardino
