RESOLUTION NO. 2025-02

RESOLUTION BY THE CITY COUNCIL OF THE CITY OF NEW PORT RICHEY, FLORIDA DECLARING A LOCAL STATE OF EMERGENCY DUE TO THE IMPACTS ASSOCIATED WITH HURRICANE HELENE WHICH IS ANTICIPATED TO MOVE ACROSS THE STATE OF FLORIDA AND DECLARING AN EFFECTIVE DATE.

WHEREAS, on September 23, 2024, Florida Governor Ron DeSantis issued Executive Order No. 24-208 declaring a state of emergency due to the impacts associated with Hurricane Helene which is anticipated to move across the State of Florida; and

WHEREAS, Executive Order No. 24-208 includes numerous counties within the storm's forecast area including Pasco County; and

WHEREAS, the City of New Port Richey has already begun preparations for the impending emergency weather conditions, and has determined that a severe threat exists to the life, health, property, and the welfare of the residents of the City of New Port Richey; and

WHEREAS, the hurricane poses a severe threat to the City of New Port Richey and may cause extensive damage to public utilities, public buildings, public streets and roads, public drainage systems, and commercial and residential buildings and areas; and

WHERAS, the City Council hereby authorizes the City through the implementation of the City Manager to enter into a state of emergency pursuant to its home rule authority; and

WHEREAS, Chapter 252, Florida Statutes, and specifically Section 252.38, Florida Statutes, provides authority for a municipality such as the City of New Port Richey to declare a state of local emergency for a period of time up to seven (7) days, which may be extended as necessary in seven (7) day increments, and to waive the procedures and formalities otherwise required of political subdivisions by law pertaining to:

- a. Performance of public works projects including taking whatever prudent action is necessary to ensure the health, safety and welfare of the community;
- b. Entering into contracts;
- c. Incurring obligations;
- d. Employment of permanent and temporary workers;
- e. Utilization of volunteer workers;
- f. Rental of equipment;
- g. Acquisition and distribution, with or without compensation, of supplies, materials and facilities; and

h. Appropriation and expenditure of public funds.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of New Port Richey that the low pressure system poses a serious threat to public infrastructure and the life, health, property, and welfare of the City of New Port Richey and its residents, and that a state of local emergency is hereby declared effective at 12:01 a.m. September 25, 2024 for a period of time up to seven (7) days, which time period may be extended as necessary in additional seven (7) day increments by subsequent resolution, and all territory within the legal incorporated boundaries of the City of New Port Richey, Pasco County, Florida shall be embraced by the provision of this emergency resolution.

BE IT FURTHER RESOLVED that the City Council hereby exercises its home rule and statutory authority and waives the procedures and formalities required by law of a political subdivision, as provided in Chapter 252, Florida Statutes; and

BE IT FURTHER RESOLVED that the City Council hereby designates the City Manager as the declaring official for all purposes necessary to implement the provisions of this resolution including but not limited to expenditure of funds and implementation of an emergency curfew.

All public officials and employees of the City of New Port Richey are hereby directed to exercise the utmost diligence in discharge of duties required of them for the duration of the emergency and in the execution of emergency laws, regulations and directives, both state and local.

All citizens are called upon and directed to comply with necessary emergency measures, to cooperate with public officials and civil emergency/disaster service forces in executing emergency operational plans, and to obey and comply with the lawful directions of properly identified public officers.

Final Public Hearing - Resolution No. 2024-25 Adopting Final Millage Rate & Resolution No. 2024-26 Operating Budget & Capital Improvement Program

City Attorney Driscoll read Resolution No. 2024-25 by title only. City Manager Manns read the following into the record:

Florida Statute 200.065(2)(C)1 prescribes that Council adopt the millage rate prior to adopting the 2024-2025 budget. A notification regarding the Public Hearing has been provided to every property owner in the City by the Pasco County Property Appraiser's Office. This notification in the form of the Truth in Millage (TRIM) notice was mailed on August 20, 2024. Action requested is to adopt Resolution 2024-25. The name of the taxing authority is the City of New Port Richey. The tentative millage rate of 8.3000 mills is 1.22% more than the roll-back rate of 8.19970 mills. Total ad valorem revenues that will be generated are estimated to be \$8,332,020; that is approximately \$768,770 more than what was generated in ad valorem in FY23-24, due to the increase of property values. The millage rate is 8.3000 mills, which is greater than the rolled-back rate of 8.19970 mills by 1.22%, which represents a 1.22% increase in property taxes. The statute states that the first topic discussed in hearings should be the percentage increase in millage over the rolled-back rate. The governing body must also explain the reasons for the increase and listen to comments from the public. At this time an overview will be provided of the proposed budget. After the close of the presentation, it is requested that the Mayor invite public comment on the millage, then the governing body must adopt the final millage rate before adopting the budget.

City Manager Manns then introduced Finance Director Crystal Dunn who then made a presentation to Council. Mrs. Dunn began her presentation by stating the total budget being presented is \$105,570,610. The total expenditures is \$34,796,120. The total for the CIP is \$29,355,000. She stated the City's state revenues decreased 1.2% from FY23/24. Property taxable values were increased by 11.54% to \$1,056,693,312. There is a salary adjustment and COLA in the proposed budgets.

Upon opening the floor to public comment, the following people came forward to speak:

• Ronald Becker, 6822 Grand Blvd., NPR came forward to speak in support of the Library's proposed budget and the programs for the upcoming year.

With no one else coming forward Mayor Davis returned the floor to Council.

Motion was made by Councilman Peter Altman to approve Resolution No. 2024-25 adopting the final millage rate of 8.3000 mills and was seconded by Councilman Bertell Butler, IV passed 4-0 at 6:14 p.m.

City Attorney Driscoll then read Resolution No. 2024-26 by title only. City Manager Manns stated the budget is based on the goals and objectives of the City's Strategic Plan. Councilman Butler asked about the decrease in Cultural Affairs and Finance Director Dunn stated the cut was made in order to balance the overall budget. City Manager Manns stated the Cultural Affairs Committee has not been able to expend the funds allocated within the recent years. She stated that grants may be available for other activities. Motion was made by Councilman Peter Alman to approve Resolution No. 2024-26 adopting the final operating budget and CIP and seconded by Deputy Mayor Kelly Mothershead. Councilman Altman stated he is opposed to the \$250 fee after having to get a certified electrician. City Manager Manns stated there is no fee being imposed for certification. Motion passed 4-0 at 6:27 p.m.

Motion made by and seconded by . The Motion Passed. 4-0. Ayes: Altman, Butler, Davis, Mothershead Absent: Murphy

7 Resolution No. 2025-03: Extending Local State of Emergency for Hurricane Helene

City Attorney Driscoll read the proposed resolution by title only. City Manager Manns stated the purpose of this agenda is to extend the local state of emergency for another seven days. Upon opening the floor to public comment, the following people came forward to speak:

• Mike Peters, 6446 River Rd., NPR came forward to thank all of the city departments on the storm response. He also spoke regarding extending debris pickup for our business community. City Manager Manns stated it is normally the posture of FEMA to not provide reimbursement for storm debris for the business community. She stated we are aware of 450 businesses that have been impacted and we have started the application process to be considered for special assistance so we can provide pickup for our commercial.

With no one else coming forward Mayor Davis returned the floor to Council. Motion was made to approve the item as presented.

Motion made by Pete Altman and seconded by Bertell Butler. The Motion Passed. 4-0. Ayes: Altman, Butler, Davis, Mothershead Absent: Murphy

8 Vox Pop for Items Not Listed on the Agenda or Listed on Consent Agenda

City Attorney Driscoll read aloud the rules governing Vox Pop. Mayor Davis then opened the floor for public comment. No one came forward therefore Mayor Davis closed Vox Pop.

- 10 Public Reading of Ordinances
- a Second Reading, Ordinance No. 2024-2304: Amendments to Camping Ordinance

City Attorney Driscoll read the proposed ordinance by title only. City Manager Manns introduced Police Chief Robert Kochen who then presented the item to Council. He stated that the purpose of this agenda item was to conduct a second and final reading of an ordinance to amend the City's camping ordinance by adding reference to the "Unauthorized Public Camping and Public Sleeping Laws", which takes effect on October 1, 2024. Chief Kochen then highlighted the new law provisions as follows:

- Prohibits public camping or sleeping on non-designated public property overnight effective
 October 1, 2024. Under Florida State Statute 125.0231, a municipality/county may not
 authorize or permit public camping or sleeping (as defined by Florida Law) on public property,
 public buildings, or public rights-of-way. Our city ordinance already prohibits this any time of
 the day or night.
- Provides an avenue for counties and cities to create safe and managed areas for homeless people to live while being provided with running water, sanitation, and services. These managed areas must be approved by the state if a county or city decides to establish them.
- Allows any city or county to be sued (beginning 01/01/25) for allowing homeless encampments

on non-designated public property.

He stated the revisions to the City's ordinance are as follows:

- Section 14-12 "Camping prohibited" (b)(1) was amended by adding Section B. "public camping or sleeping, as defined in Section 125.0231 Florida Statutes, as amended from time to time." This new section of the City's ordinance references the Florida Statute on public camping and public sleeping.
- Section 14-12 (d)(5) was changed to read: "Camping for recreational purposes on property designated for such purposes by the city, or in conjunction with any special event approved by the city council."

Upon opening the floor to public comment, no one came forward therefore Mayor Davis returned the floor to Council. Motion was made to approve the ordinance upon its second and final reading.

Motion made by Bertell Butler and seconded by Kelly Mothershead. The Motion Passed. 4-0. Ayes: Altman, Butler, Davis, Mothershead Absent: Murphy

b First Reading, Ordinance No. 2024-2286: Amendments to City Dock Ordinance

City Attorney Driscoll read the proposed ordinance by title only. City Manager Manns introduced the item to Council. She stated that the purpose of this agenda item was to conduct a first reading of an ordinance to amend Section 5-44 of the City's Code of Ordinances regarding docks on city-owned land. She stated that currently the City provides a license to property owners owning property abutting city-owned property along the Pithlachascotee River to allow the attachment of a dock to the city property. The current dock ordinance describes the eligible properties by lot and block numbers. Staff is recommending that the City's Code be amended to describe eligible properties attaching a dock to city-owned land by map rather than legal description. This way the map could then be amended by resolution in the future. This amendment also provides that docks constructed pursuant to this section shall be limited to floating docks and comply with the general requirements of this article relating to docks constructed on or adjacent to private property along the Pithlachascotee River, subject to approval of the design, size and shape by the City in its sole and absolute discretion. City Manager Manns stated the property at 5600 Virginia Avenue in the past has enjoyed the benefit of having a dock but has been omitted from the map and we are correcting this by way of this ordinance and they are specifically noted as being allowed to have one and will now be officially included on the map. The proposed City Dock Map will be presented for approval via resolution in conjunction with the second reading of this ordinance at the regular meeting on October 15, 2024. Upon opening the floor to public comment, no one came forward therefore Mayor Davis returned the floor to Council. Motion was made to approve the ordinance upon its first reading.

Motion made by Kelly Mothershead and seconded by Pete Altman. The Motion Passed. 4-0. Ayes: Altman, Butler, Davis, Mothershead Absent: Murphy

11 Business Items

a 2024 Cotee River Bike Fest Alcohol Beverage Special Event Application

City Manager Manns introduced Parks and Recreation Director Andre Julien who then presented the item to Council. He stated that the purpose of this agenda item was to approve the ABSEP for beer and wine to be sold in Sims Park during the 2024 Cotee River Bike Fest. She stated the event was to take place October 11-13, 2024 however it has been rescheduled until January 17-19, 2025. Beer and wine will be sold on Friday, January 17th from 5pm - 11pm, Saturday, January 18th from 12pm - 11pm, and Sunday, January 19th from 1pm - 5pm. Upon opening the floor to public comment, no one came forward therefore Mayor Davis returned the floor to Council. Motion was made to approve the item as presented.

Motion made by Kelly Mothershead and seconded by Bertell Butler. The Motion Passed. 4-0. Ayes: Altman, Butler, Davis, Mothershead Absent: Murphy

b Approval of United States Department of Justice Grant

City Manager Manns introduced Police Chief Robert Kochen who presented the item to Council. He stated the purpose of this agenda item was to approve the three-year United States Department of Justice (USDOJ) grant award of \$216,498.00 to enhance investigations and prosecution of domestic violence, dating violence, sexual assault, and stalking crimes. This essential grant will provide the following funding over a three-year period:

- \$20,000.00 for USDOJ Office on Violence Against Women training and technical assistance.
- \$78,000.00 to fund 50% of our victim advocate's salary.
- \$16,965.00 to fund the fringe benefits for our victim advocate.
- \$17,550.00 to fund our victim advocate's overtime.
- \$3,817.00 to fund our victim advocate's fringe benefits on overtime.
- \$15,444.00 to fund our crime scene technician's overtime.
- \$3,359.00 to fund our crime scene technician's fringe benefits on overtime.
- \$26,676.00 to fund police officers' overtime.
- \$5,802.00 to fund our police officers' fringe benefits on overtime.
- \$4,000.00 for a Kolari Vision UV/IR Camera Forensics Kit to provide high resolution pictures of injures.
- \$24,885.00 to provide on-demand translation services.

Upon opening the floor to public comment, no one came forward therefore Mayor Davis returned the floor to Council. Motion was made to approve the item as presented.

Motion made by Kelly Mothershead and seconded by Bertell Butler. The Motion Passed. 4-0. Ayes: Altman, Butler, Davis, Mothershead Absent: Murphy

c Request to Enter into Task Order No. 2 for Fire Station No. 2 Architectural Services

City Manager Manns introduced the item to Council. She stated the purpose of this agenda item was to approve entering into Task Order No. 2 with Spring Engineering. She stated the project to construct Fire Station No. 2 was expected to span a three hundred day construction period. The original architectural services contract was in the amount of \$216,500. She stated the original contract for the project included liquidated damages in the amount of \$1,500/day for completion and we are now 5.5 months behind. The contractor owes the City a total of \$379,500 in liquidated damages. At this point construction is expected to span another four months until completion. The estimated amount for services is \$35,000 and will be taken out of the accumulating liquidating damages. Upon opening the floor to public comment, no one came forward therefore Mayor Davis returned the floor to Council. Motion was made to approve the item as presented.

Motion made by Kelly Mothershead and seconded by Bertell Butler. The Motion Passed. 4-0. Ayes: Altman, Butler, Davis, Mothershead Absent: Murphy

d Recommendation of Firm for Land Use Master Plan Update

City Manager Manns introduced the item to Council. She stated the purpose of this agenda item was to approve entering into a professional services agreement with Stantec for Change Order No. 1 in respect to the update to the City's Comprehensive Land Use Master Plan in an amount not to exceed \$84,000. She stated the comprehensive land use master plan is the most important tool in land use planning. The current plan has fallen out of line with the State and therefore needs to be updated. Stantec is currently assisting the city with an update to the CRA Plan. Stantec has submitted a proposal to perform the work necessary to update the city's Comprehensive Land Use Plan. The plan involves strengthening the Comprehensive Plan to align and support the vision as stated in the CRA Plan. This will include an analysis of existing goals, objectives and policies of the Comprehensive Plan in comparison to the CRA Plan. The drafting of amendments based on alignment and Florida statute changes as appropriate. Their work on the project will involve a public workshop and public hearings. The fee associated with the proposal is \$84,000 and based on the volume of the work required and the market rate for professional fees of this type the staff believes that the fee being requested is fair.

Upon opening the floor to public comment, no one came forward therefore Mayor Davis returned the floor to Council. Motion was made to approve the item as presented.

Motion made by Pete Altman and seconded by Bertell Butler. The Motion Passed. 4-0. Ayes: Altman, Butler, Davis, Mothershead Absent: Murphy

12 Communications

Councilman Altman spoke regarding the FRA Conference in Tampa and the NLC Summit in Tampa. He stated this is a time for us to deal with the immediate and he thanked those who have activated resources. Councilman Butler spoke about permits for restoration. He stated that he wanted to invite the mayor to have an emergency meeting to get on the same page regarding recovery. He stated he is communicating with staff. He reiterated his request to have the City provide electricians. Mayor Davis stated it would be up to the City Manager to investigate. Councilman Altman stated that once we get on the private side there may be hurdles. He stated he would like to have an analysis done. He stated it should be an income qualified issue and it would be nice to have some type of program. City Attorney Driscoll stated we can work on addressing legal issues but suggested electricians doing the inspections and not repairs. City Manager Manns stated that a funding source would need to be identified first and Deputy Mayor Mothershead stated there are organizations that we can reach out to see what resources they may have. City Attorney Driscoll stated the extended LSE will expire next Wednesday and may have to be extended on Tuesday. Councilman Altman stated some residents who have been affected may not be able to get back to their house in six months. Deputy Mayor Mothershead stated that our community has pulled together to do what we can and will continue to do so. Mayor Davis stated we are a city of good neighbors.

RE: Second Reading, Ordinance No. 2024-2286; Amendments to City Dock Ordinance

REQUEST:

The request is for the City Council to conduct a second and final reading of an ordinance to amend Section 5-44 of the City's Code of Ordinances regarding docks on city-owned land.

DISCUSSION:

The City of New Port Richey currently provides a license to property owners owning property abutting city-owned property along the Pithlachascotee River to allow the attachment of a dock to the city property. The current dock ordinance describes the eligible properties by lot and block numbers. Staff is recommending that the City's Code be amended to describe eligible properties attaching a dock to city-owned land by map rather than legal description. Ordinance

Ordinance

ORDINANCE NO. 2024-2286

AN ORDINANCE OF THE CITY OF NEW PORT FLORIDA. **PROVIDING** AMENDMENT OF SECTION 5-44 OF THE CITY CODE, PERTAINING TO DOCKS ATTACHED TO CITY-OWNED PROPERTY; PROVIDING FOR A CITY DOCK MAP ESTABLISHING PROPERTIES ELIGIBLE TO ASSOCIATE A DOCK ATTACHED **PROPERTY**; **PROVIDING** TO CITY FOR FLOATING DOCKS, ONLY; PROVIDING FOR CONFLICTS. SEVERABILITY. AND ANEFFECTIVE DATE.

WHEREAS, the city currently provides a license to property owners owning property abutting city-owned property along the Pithlachascotee River to allow the attachment of a dock to the city property;

WHEREAS, the City desires to amend the code to establish a map of properties eligible to obtain a license to attach a dock to city property along the riverfront, and to clarify existing provisions within said code; and

WHEREAS, it is declared as a matter of legislative determination and public policy that the provisions and prohibitions herein are necessary in the public interest; and it is further declared that the provisions and prohibitions herein are in pursuance of and for the purpose of securing and promoting the public health, safety, welfare and quality of life in the City in accordance with the City's police powers.

NOW, THEREFORE, THE CITY OF NEW PORT RICHEY, FLORIDA HEREBY ORDAINS:

SECTION 1. Amendment. Section 5-44 of Chapter 5 of the Code of Ordinances, pertaining to docks attached to city-owned property and providing as set forth hereafter, is hereby amended, as follows (strikeout text is deleted and underlined text is added):

Sec. 5-44. Docks attached to city-owned property or public park property.

(a) Except as expressly set forth in this section, no person, firm or corporation shall erect or construct a dock of any type which must be affixed or located immediately adjacent to property owned by the city or other property which has been dedicated or designated for the use and benefit of the public. Except as expressly set forth in this section, any docks attached or located immediately adjacent to city-owned property or such public property as of the effective date of this article may be repaired or replaced unless fifty (50) percent or more of the structure is to be replaced or repaired, in which case the owner shall, within ninety (90) days, comply with the requirements of this section or remove the structure. The determination

- of whether a proposed repair or replacement activity shall exceed fifty (50) percent or more of the structure shall be made by the city, in the reasonable exercise of its discretion.
- (b) Notwithstanding the foregoing, private docks, as defined in section 5-50 below, may be constructed along and adjacent to the following city-owned property depicted on the map approved from time to time by the City Council by resolution thereof, referred to as the "City Dock Map". The map shall designate the area reserved for placement of a dock and the private real property to which said dock shall be associated. That certain strip of land lying between the Pithlachascotee River and Grand Boulevard, located south of Massachusetts Avenue and north of Virginia Avenue and lying west of Blocks 10, 11, 36 and 37 in accordance with plat recorded in Book 2, page 21, public records of Pasco County, Florida, and that certain strip of land lying between the Pithlachascotee River and Grand Boulevard, being located west of the intersection of Orange Grove Avenue and Grand Boulevard and lying west of Lots 1 and 2 of Block 4, Orange Grove Park and lying west of Lot 1 of Block 3, Orange Grove Park.
- (c) Construction of such private docks <u>under this section</u> shall be subject to the following conditions and limitations set forth in this subsection.
 - (1) Only the owner of a lot property designated on the City Dock Map fronting Grand Boulevard and lying south of Massachusetts Avenue and north of Virginia Avenue, or the owner of a lot adjacent to Lots 1 and 2 of Block 4 or Lot 1 of Block 3, Orange Grove Park, shall have the right to construct docks that are adjacent and attached to the seawall located along or adjacent to the city property described above in this section, and only in the location designated on said map associated with said private property. The submerged area upon which each lot property owner may construct a dock shall be in the location shown on said map designated for said property, and specifically approved by the City in its sole and absolute discretion defined as set forth in section 5-52(2)(c) which area shall be determined by extending each lot owner's lot line across the Boulevard and the city property.
 - (2) All docks constructed pursuant to this section shall <u>be limited to floating docks and</u> comply with the general requirements of this article relating to docks constructed on or adjacent to private property along the Pithlachascotee River, <u>subject to approval of the design</u>, <u>size and shape by the City in its sole and absolute discretion</u>.
 - (3) The construction of docks pursuant to this section shall be subject to all permitting requirements set forth in this article or as may otherwise be required by any other local state or federal agency.
 - (4) All docks constructed pursuant to this section, including any <u>existing</u> docks located upon the property <u>designated in the City Dock Map</u> <u>described above</u> that are repaired or replaced, which repair or replacement involves fifty (50) percent or more of such existing structure, shall comply with the following special conditions:
 - a. No gate or other barrier to entry onto the dock shall be permitted;
 - b. Each dock shall be clearly posted with a sign that shall state: "Private Property—No Trespassing":
 - c. Each dock shall be constructed in a manner to minimize any adverse effect upon the seawall or its components. No dock shall be affixed to the seawall or to city property

without the prior written consent of the building official. To the extent that any dock is affixed to the seawall or to city property, the owner thereof shall be responsible for any damage to the seawall or city property including, but not limited to, any damage or excessive wear year or excessive stress resulting from the construction of said dock or attachment thereof to the seawall or to city property. The owner of each dock shall maintain said owner's dock to prevent damage to the seawall or to city property; and—The city shall encourage the use of floating docks and similar structures.

- d. Owners of docks constructed pursuant to this section shall not place or maintain personal property on the seawall or on city property including, but not limited to, cabanas, shelters, picnic tables or furniture, whether affixed to said seawall or free standing. In addition, owners of docks constructed pursuant to this section shall not place or maintain davits, boat lifts or similar devices on the seawall, the dock itself, or any city property. Notwithstanding the foregoing, floating docks may be allowed with a permit and approval of the city manager. Such pPermits shall only be issued if the floating dock is designed, constructed, installed and used in such a manner as to allow the docking of watercraft in a manner which does not obstruct any waterway or public property, or significantly obstruct the public view of any waterway.
- (5) Prior to the construction of any dock pursuant to this section or prior to the repair or replacement of any dock located adjacent to on the property designated in the City Dock Map described above, which repair or replacement involves more than fifty (50) percent of the structure, the owner of said lot shall deliver to the city: A a fully executed license agreement which shall include a covenant to hold the city harmless from and to indemnify the city against any damage, injury claim, demand, suit, cause of action or cost in any way arising out of or related to the construction, use or existence of such dock. The form of such license agreement shall be in a form acceptable to the city's attorney.
- (6) Every dock constructed or maintained pursuant to this section shall be owned by and used only by the owner of the lot to which said dock is appurtenant, and said lot owner's <u>lessees</u>, family and <u>guests</u> quests. A lot owner shall have no right to assign, transfer or convey any right (including the right of use) or interest in said owner's dock except that said owner shall assign, transfer and convey all of said owner's right, title and interest in and to said dock to any subsequent grantee of the appurtenant private property lot.
- (7) The existence or extension of electric, water, sewer or other utility service to any dock constructed or maintained pursuant to this section is expressly prohibited and unlawful.
- (8) As deemed necessary in the reasonable exercise of its discretion, the city may require an owner to maintain, repair or replace any dock attached or adjacent to city-owned or public property, whether such dock be existing as of the date of this article or constructed thereafter, and whether the same has been repaired or replaced to the extent of fifty (50) percent of the structure or not. Should such At any time the maintenance or repair of any dock exceeds fifty (50) percent of the structure, then the owner shall, within ninety (90) days, comply with all requirements of this section or remove the structure.

SECTION 2. Enforcement. The provisions of this Ordinance shall be enforced as otherwise provided in the Code of Ordinances.

<u>SECTION 3.</u> Conflict with Other Ordinances and Codes. All ordinances or parts of ordinances of the City of New Port Richey, Florida, in conflict with the provisions of this ordinance, are hereby repealed to the extent of such conflict.

SECTION 4. Severability. If any provision or portion of this ordinance is declared by any court of competent jurisdiction to be void, unconstitutional, or unenforceable, then all remaining provisions and portions of this ordinance shall remain in full force and effect.

SECTION 5. Effective Date. This ordinance shall take effect immediately upon its adoption as provided by law.

The foregoing Ordinance was duly read and approved on first reading at a duly convened meeting of the City Council of the City of New Port Richey, Florida this 1st day of October, 2024, and read and adopted on second reading at a duly convened meeting of the City Council of the City of New Port Richey, Florida this 15th day of October, 2024.

RE: 2024 Water and Wastewater Revenue Sufficiency Analysis and Rate Design Study

REQUEST:

The request of staff for City Council is to consider the approval, the adoption of the 2024 Water and Wastewater Revenue Sufficiency Analysis and Rate Design Study.

DISCUSSION:

The purpose of this presentation is to discuss the final draft of the 2024 Water and Wastewater Revenue Sufficiency Analysis and Rate Design Study conducted by Stantec Consulting Services Incorporated. The scope of services in the analysis includes an update to the multi-year projection of utility system costs and revenues to determine the financial sustainability of the utility and identify recommended rate revenue adjustments. The allocation of all water and wastewater utility costs to services as it relates to the rate structure and calculation of retail rates based upon the referenced allocation.

Ms. Danica Katz, Mr. Patrick Luce, and Nish Patel with Stantec Consulting Services are present to present the 2024 Water and Wastewater Revenue Sufficiency Analysis and Rate Design Study.

RECOMMENDATION:

Adoption of the analysis is recommended.

BUDGET/FISCAL IMPACT:

Funds for this project are identified in the Public Works Supervision operating budget line item 001101-43199 for Professional Services - Misc.

NEW POT RECIEY

5919 MAIN STREET . NEW PORT RICHEY, FL 34652 . 727.853.1016

TO: City of New Port Richey City Council

FROM: Robert Kochen, Chief of Police

DATE: 10/15/2024

RE: Request for Extension for the Police Accreditation Managed Services/Independent Contractor

Agreement

REQUEST:

The request for the council is to approve a twelve (12) month extension of the November 1, 2023, Managed Services/Independent Contractor Agreement (MSICA), effective November 1, 2024, with the same terms and conditions for police accreditation consulting services.

DISCUSSION:

On 10/17/23 the council approved the existing twelve (12) month MSICA with consultant Frank Ruggiero effective on November 1, 2023, to provide police accreditation consulting services.

Prior to the council approving the existing agreement with the accreditation consultant, the city (to select a highly qualified accreditation consultant) conducted a Request for Proposal (RFP) bid. After a thorough RFP bid selection process, we selected a police accreditation consultant who has extensive experience with the accreditation process through the Commission for Florida Law Enforcement Accreditation (CFA). Frank Ruggiero was the sole bidder and submitted a comprehensive bid for these services that fully satisfied the requirements listed in the RFP bid.

Currently the city has an agreement with the CFA for our police department to meet the requirements of CFA accreditation by December 1, 2025. Our accreditation consultant has been instrumental in guiding the New Port Richey Police Department though this arduous process, and we have made much progress. It is essential that we continue to utilize the services of the accreditation consultant by extending the existing contract for twelve (12) months so we can fulfil our goal of becoming a fully accredited police agency prior to December 1, 2025. Moreover, the council approved the funding for these consulting services in the police department's F.Y. 24/25 budget.

This consultant has a proven track record of successfully guiding police departments through the accreditation process in the State of Florida. In 2020, this consultant was named by the State of Florida as Accreditation Assessment Team Leader of the year, he is a certified CFA accreditation professional and sits on the CFA's Standards and Interpretation Committee. Frank Ruggiero has conducted hundreds of police agency accreditation assessments throughout the State of Florida over the last ten years and has led the Tarpon Springs Police Department (as accreditation manager) through its initial accreditation award, and three very successful re-accreditations which occur every three years. The consultant currently serves as a Deputy Chief of Police with the Tarpon Springs Police Department and oversees their accreditation program. He has lived in the New Port Richey area for many years and is in close driving proximity to the police department.

Our City Attorney vetted the twelve (12) month contract extension before you and approved it as to form. The contract has a provision that the city will not pay the consultant over \$5,416.00 per month with the total contract amount not exceeding \$65,000.00. The contract has an early termination clause for both parties. The terms of the contract and the early termination clause are outlined in section V and VI of the agreement.

RECOMMENDATION:

Approve MSICA twelve (12) month extension with Consultant Frank Ruggiero for continued police accreditation services.

BUDGET/FISCAL IMPACT:

The MSICA extension is fully funded through Division 1061 (professional services contracts) of the police department's F.Y. 24/25 budget.

ABOUT THE CONTRACTOR

During my 32 years in Law Enforcement, I have been extensively involved in and supervised Accreditation, Traffic/DUI enforcement, Traffic Homicide Investigations, Patrol, Training, Recruitment, Communications, Code Enforcement, Property/Evidence room, School Resource Officers, Community Policing and Public Information/Relations.

I began my career with the Pasco County Sheriff's Office in 1990 as a Corrections Deputy. I was promoted to Training Officer in 1993.

I left the Sheriff's Office in 1995 and joined the Port Richey Police Department. In 1997 I was promoted to Field Training Officer and Traffic Homicide Lead Investigator. In 1998 I was promoted to Corporal and agency lead training instructor, my duties included supervising the Communications section, Property Evidence room, Training unit, Traffic Homicide Unit and Patrol. I began re-writing our General Order manual and completed it in late 1999, while working towards CFA Accreditation.

In the spring of 2000, I became employed by Pasco Hernando State College to teach at their Public Safety Academy, teaching Law Enforcement, Corrections and Security Guard Classes.

I am certified and taught all High Liability topics (Firearms, Police Pursuit Driving, Defensive Tactics, Medical First Responder and Conducted Electrical Weapons), crowd control, report writing, Officer Safety and Traffic.

In fall of 2000, I left the Port Richey Police Department and began my career with the Tarpon Springs Police Department working as a patrol officer. In 2001, I was assigned to assist with training. In 2002, I was assigned to administration to re-write the entire General Order manual

to comply with Accreditation standards. In 2004, I was assigned as acting patrol supervisor and Traffic Homicide unit supervisor.

In 2005, I was appointed as lead instructor for Traffic Stops and Traffic Crash investigations, at Pasco Hernando State College. I was also selected by the Florida Department of Law Enforcement to assist them with re-writing the traffic and DUI curriculum in Tallahassee later that year.

In 2006, I received officer of the year honors for conducting our agency's first two DUI checkpoints, and assisting Florida Fish and Wildlife Conservation Commission with a Boating Under the Influence task force by training them and assisting with getting their intoxilyzer program back on track, for the Tampa Bay area.

Later on that year our Code Enforcement supervisor, inspector and clerk all retired, so I volunteered to go into the unit to assist with hiring three new employees and training them. In 2007, I had completed all the hiring and training in Code Enforcement and I was promoted to Corporal and placed in training and patrol part time.

In 2009, our School Resource Officer unit supervisor was fired for inappropriate relationships with students and another SRO was placed back on the road for failure to report it, while another SRO also resigned. I volunteered to take this unit over to fix our relationship with the school system. I replaced the entire unit and assigned myself to the high school with a rookie officer and assigned two other veteran officers to cover the middle school and the other to cover our three elementary schools. In 2010, our School Resource Officer unit won best new crime prevention program of the year, from the State of Florida, for the new crime watch program and training we supplied our high school with.

In 2011, when Chief Kochen was appointed as permanent Chief, he informed me that one of his goals was to become an Accredited Agency and appointed me as the Accreditation Manager in 2011. In June of 2013, I was promoted to Sergeant and maintained my position. As Accreditation manager we received our initial accreditation in 2012, first reaccreditation in 2015, second reaccreditation in 2018 with the team leader remarking the assessment as flawless, and our third reaccreditation in 2021. I have been conducting assessments for the Commission of Florida Law Enforcement Accreditation since 2013 and was assigned as a Team Leader in 2016. I became a Certified Accreditation Professional in 2017 and was recertified in 2020. I was appointed as the Training committee chairman in 2017 and held that position until my recent promotion. In 2017 I was also appointed to the Commission of Florida Law Enforcement Accreditation's Standard Review and Interpretations Committee. This committee meets three times a year to review, revise, delete and add standards to the required manuals to obtain and maintain accreditation.

In 2019, I received officer of the year honors for the Tarpon Springs Police Department for my dedication to excellence.

In 2020, I was also named the Assessment Team Leader of the Year by the Commission for Florida Law enforcement Accreditation.

On March 12, 2021, I was promoted to the rank of Major in charge of administration and currently I am still in charge of the Accreditation unit, Recruiting/Hiring, Training unit, THI unit and School Resource Unit while continuing to teach DUI and Traffic Crashes at the Pasco Hernando State College's police academy, Traffic Homicide Investigations for the Florida Public Safety Institute and Several classes for the Florida Police Accreditation Coalition.

RISK MITIGATION

In today's litigiousness society it would be unrealistic to believe that even the most professional law enforcement agency could totally avoid liability claims. The best defense against lawsuits is to have implemented sound policies and procedures that are in line with the best practices of the profession and compliant with current statutes, professional best practices, and court decisions.

A department's written directives are historically one area of law enforcement operations that have a high degree of liability attached thereto as they establish the policies and procedures that the officers must adhere to during the performance of their duties.

When issues of liability are raised during litigation, one of the first areas that the discovery process will focus on is the agency's policies and procedures, and did the involved officers adhere to the agency's established protocols.

FLORIDA ACCREDITATION

Accreditation is a progressive and contemporary way of helping police agencies evaluate and improve their overall performance. It has long been recognized as a means of maintaining the highest standards of professionalism. Accreditation is the certification by an independent reviewing authority that an entity has met specific requirements and prescribed standards. Schools, universities, and hospitals are some of the most well-known organizations that are required to maintain accreditation.

BENEFITS TO THE COMMUNITY

Accreditation increases the law enforcement agency's ability to prevent and control crime through more effective and efficient delivery of law enforcement services to the community it serves.

Accreditation enhances community understanding of the law enforcement agency and its role in the community as well as its goals and objectives. Citizen confidence in the policies and practices of the agency is increased.

Accreditation, in conjunction with the philosophy of community policing, commits the agency to a broad range of programs (such as crime prevention) that directly benefit the public.

Accreditation creates a forum in which police and citizens work together to control and prevent crime. This partnership will help citizens to understand the challenges that confront law enforcement. Law enforcement will, in turn, receive clear direction from the community about its expectations. Thus, a common set of goals and objectives will be arrived at and implemented.

BENEFITS TO THE AGENCY CEO

Increases cooperation and coordination with other law enforcement agencies and other branches of the criminal justice system.

The accreditation process requires an in-depth review of every aspect of the agency's organization, management, operations, and administration to include:

- Establishment of agency goals and objectives with provisions for periodic updating.
- Re-evaluation of whether agency resources are being used in accord with agency goals, objectives, and mission.
- Re-evaluation of agency policies and procedures, especially as documented in the agency's written directive system.
- Correction of internal deficiencies and inefficiencies before they become public problems.
- The opportunity to re-organize without the appearance of personal attacks.

The accreditation standards provide norms against which agency performance can be measured and monitored over time and provides the agency with a continuous flow of Commission distributed information about exemplary policies, procedures, and projects.

Accreditation provides objective measures to justify decisions related to budget requests and personnel policies and may serve as a yardstick to measure the effectiveness of the agency's programs and services. The services provided are defined, and uniformity of service is assured.

Accreditation streamlines operations, providing more consistency and more effective deployment of agency manpower.

BENEFITS TO THE OFFICERS & EMPLOYEES

Accreditation requires that agency policies and procedures be current and in written form and are available to all agency personnel at all times.

Accreditation assures employees that every aspect of the agency's personnel system is in accord with professional standards, and that the system is both fair and equitable.

The agency is compelled to operate within specific guidelines. It is accountable to the Commission. The agency must stay in compliance with the standards set forth by the Commission in order to retain its accreditation.

The morale of the agency is enhanced by increasing the employees' confidence in the effectiveness and efficiency of their own agency. Operations become more streamlined and consistent.

Accreditation standards address officer safety issues and provide for adequate training and equipment of the officers.

Accreditation is a coveted award that symbolizes professionalism, excellence, and competence. Employees will take pride in their agency, knowing that it represents the very best in law enforcement.

PROJECT SCOPE

The contractor proposes to evaluate if the City police department's current policies, procedures, and all other forms of written directives to determine if they meet or exceed the minimum standards set forth by the Commission for Florida Law Enforcement Accreditation Program, AND

- Develop and publish any revisions to any and all existing policies as approved by the City necessary to meet the standards of the Florida law enforcement accreditation program.
- Develop and publish any and all additional polices as approved by the city, which do not currently
 exist which would be required to meet the standards of the Florida law enforcement accreditation
 program.
- Set-Up, and populate Power DMS© web portal, specific to the City's police department, to manage disseminate and assist with maintaining all of the police department's written directives, build, populate and manage an assessment system in accordance with the provisions of the Florida Law Enforcement Accreditation Standard Compliance files on to include creation of the required standard compliance files required to meet the requirements of the Florida Law Enforcement Accreditation Program in affect at the time of any such assessment by the Commission for Law Enforcement Accreditation.
- Create and populate each standard compliance file with a copy or copies of all applicable agency directives, copy or copies of any and all supporting documentation, agency records, photographs, etc. necessary to demonstrate compliance with each program standard.
- Create and populate each standard compliance file with a copy or copies of all applicable agency directives, copy or copies of any and all supporting documentation, agency records, photographs, etc. necessary to demonstrate compliance with each program standard.
- Highlight each directive and all supporting documentation to illustrate how each directive/documentation is applicable and demonstrates compliance to the individual standard.
- Perform on-site collection, as necessary of all required or recommended departmental documentation relevant to demonstrating compliance with program standards.
- Attend in-person meetings with the City and its representatives to discuss project status, noncompliance issues, departmental issues effecting the project, and/or written directive development purpose and status.
- Be present and oversee for any and all assessments, either mock assessment as arranged for by the contractor, as well as any on-site assessment scheduled by the Florida Accreditation Office.

Represent the city and its police department as the accreditation manager and attend any and all
meetings and/or training conferences of the Commission for Florida Law Enforcement
Accreditation.

PROJECT TIME LINE

It is estimated that this project would take at a minimum 18 months to complete and the agency be accredited under the Commission for Law Enforcement Accreditation program.

The first step towards completing the process is to apply for participation through the Commission. The agency will receive an agreement, along with an invoice for their participation in the accreditation process and software fees. Once the agreement is signed, and it is returned it to the Florida Accreditation office the 24-month self-assessment phase begins the date the Executive Director signs the agreement. Agencies have 24 months to call for an on-site assessment by a team of assessors from the FAO, but may call for an on-site after 12 months.

We will schedule a mock assessment 60-90 days prior to any scheduled assessment. It's the agency's responsibility to arrange for all aspects of the mock, including assessor selection, which will be completed by the contractor.

CONCLUSION

I look forward to working with the City of New Port Richey, Chief Kochen, his command staff as well as City Manager Debbie Manns. I am confident that together we can rise to the challenges ahead of us and achieve our goal of seeing "Accredited Agency" decals adorning all the assets of the New Port Richey Police Department.,

If you have questions on this proposal, feel free to contact me at your convenience by email at thiwings2002@gmail.com or by phone at 727-364-9473. I look forward to hearing from you to arrange a follow-up to this proposal, if needed.

Thank you for your consideration,

ABOUT THE CONTRACTOR

During my 32 years in Law Enforcement, I have been extensively involved in and supervised Accreditation, Traffic/DUI enforcement, Traffic Homicide Investigations, Patrol, Training, Recruitment, Communications, Code Enforcement, Property/Evidence room, School Resource Officers, Community Policing and Public Information/Relations.

I began my career with the Pasco County Sheriff's Office in 1990 as a Corrections Deputy. I was promoted to Training Officer in 1993.

I left the Sheriff's Office in 1995 and joined the Port Richey Police Department. In 1997 I was promoted to Field Training Officer and Traffic Homicide Lead Investigator. In 1998 I was promoted to Corporal and agency lead training instructor, my duties included supervising the Communications section, Property Evidence room, Training unit, Traffic Homicide Unit and Patrol. I began re-writing our General Order manual and completed it in late 1999, while working towards CFA Accreditation.

In the spring of 2000, I became employed by Pasco Hernando State College to teach at their Public Safety Academy, teaching Law Enforcement, Corrections and Security Guard Classes.

I am certified and taught all High Liability topics (Firearms, Police Pursuit Driving, Defensive Tactics, Medical First Responder and Conducted Electrical Weapons), crowd control, report writing, Officer Safety and Traffic.

In fall of 2000, I left the Port Richey Police Department and began my career with the Tarpon Springs Police Department working as a patrol officer. In 2001, I was assigned to assist with training. In 2002, I was assigned to administration to re-write the entire General Order manual

to comply with Accreditation standards. In 2004, I was assigned as acting patrol supervisor and Traffic Homicide unit supervisor.

In 2005, I was appointed as lead instructor for Traffic Stops and Traffic Crash investigations, at Pasco Hernando State College. I was also selected by the Florida Department of Law Enforcement to assist them with re-writing the traffic and DUI curriculum in Tallahassee later that year.

In 2006, I received officer of the year honors for conducting our agency's first two DUI checkpoints, and assisting Florida Fish and Wildlife Conservation Commission with a Boating Under the Influence task force by training them and assisting with getting their intoxilyzer program back on track, for the Tampa Bay area.

Later on that year our Code Enforcement supervisor, inspector and clerk all retired, so I volunteered to go into the unit to assist with hiring three new employees and training them. In 2007, I had completed all the hiring and training in Code Enforcement and I was promoted to Corporal and placed in training and patrol part time.

In 2009, our School Resource Officer unit supervisor was fired for inappropriate relationships with students and another SRO was placed back on the road for failure to report it, while another SRO also resigned. I volunteered to take this unit over to fix our relationship with the school system. I replaced the entire unit and assigned myself to the high school with a rookie officer and assigned two other veteran officers to cover the middle school and the other to cover our three elementary schools. In 2010, our School Resource Officer unit won best new crime prevention program of the year, from the State of Florida, for the new crime watch program and training we supplied our high school with.

In 2011, when Chief Kochen was appointed as permanent Chief, he informed me that one of his goals was to become an Accredited Agency and appointed me as the Accreditation Manager in 2011. In June of 2013, I was promoted to Sergeant and maintained my position. As Accreditation manager we received our initial accreditation in 2012, first reaccreditation in 2015, second reaccreditation in 2018 with the team leader remarking the assessment as flawless, and our third reaccreditation in 2021. I have been conducting assessments for the Commission of Florida Law Enforcement Accreditation since 2013 and was assigned as a Team Leader in 2016. I became a Certified Accreditation Professional in 2017 and was recertified in 2020. I was appointed as the Training committee chairman in 2017 and held that position until my recent promotion. In 2017 I was also appointed to the Commission of Florida Law Enforcement Accreditation's Standard Review and Interpretations Committee. This committee meets three times a year to review, revise, delete and add standards to the required manuals to obtain and maintain accreditation.

In 2019, I received officer of the year honors for the Tarpon Springs Police Department for my dedication to excellence.

In 2020, I was also named the Assessment Team Leader of the Year by the Commission for Florida Law enforcement Accreditation.

On March 12, 2021, I was promoted to the rank of Major in charge of administration and currently I am still in charge of the Accreditation unit, Recruiting/Hiring, Training unit, THI unit and School Resource Unit while continuing to teach DUI and Traffic Crashes at the Pasco Hernando State College's police academy, Traffic Homicide Investigations for the Florida Public Safety Institute and Several classes for the Florida Police Accreditation Coalition.

RISK MITIGATION

In today's litigiousness society it would be unrealistic to believe that even the most professional law enforcement agency could totally avoid liability claims. The best defense against lawsuits is to have implemented sound policies and procedures that are in line with the best practices of the profession and compliant with current statutes, professional best practices, and court decisions.

A department's written directives are historically one area of law enforcement operations that have a high degree of liability attached thereto as they establish the policies and procedures that the officers must adhere to during the performance of their duties.

When issues of liability are raised during litigation, one of the first areas that the discovery process will focus on is the agency's policies and procedures, and did the involved officers adhere to the agency's established protocols.

FLORIDA ACCREDITATION

Accreditation is a progressive and contemporary way of helping police agencies evaluate and improve their overall performance. It has long been recognized as a means of maintaining the highest standards of professionalism. Accreditation is the certification by an independent reviewing authority that an entity has met specific requirements and prescribed standards. Schools, universities, and hospitals are some of the most well-known organizations that are required to maintain accreditation.

BENEFITS TO THE COMMUNITY

Accreditation increases the law enforcement agency's ability to prevent and control crime through more effective and efficient delivery of law enforcement services to the community it serves.

Accreditation enhances community understanding of the law enforcement agency and its role in the community as well as its goals and objectives. Citizen confidence in the policies and practices of the agency is increased.

Accreditation, in conjunction with the philosophy of community policing, commits the agency to a broad range of programs (such as crime prevention) that directly benefit the public.

Accreditation creates a forum in which police and citizens work together to control and prevent crime. This partnership will help citizens to understand the challenges that confront law enforcement. Law enforcement will, in turn, receive clear direction from the community about its expectations. Thus, a common set of goals and objectives will be arrived at and implemented.

BENEFITS TO THE AGENCY CEO

Increases cooperation and coordination with other law enforcement agencies and other branches of the criminal justice system.

The accreditation process requires an in-depth review of every aspect of the agency's organization, management, operations, and administration to include:

- Establishment of agency goals and objectives with provisions for periodic updating.
- Re-evaluation of whether agency resources are being used in accord with agency goals, objectives, and mission.
- Re-evaluation of agency policies and procedures, especially as documented in the agency's written directive system.
- Correction of internal deficiencies and inefficiencies before they become public problems.
- The opportunity to re-organize without the appearance of personal attacks.

The accreditation standards provide norms against which agency performance can be measured and monitored over time and provides the agency with a continuous flow of Commission distributed information about exemplary policies, procedures, and projects.

Accreditation provides objective measures to justify decisions related to budget requests and personnel policies and may serve as a yardstick to measure the effectiveness of the agency's programs and services. The services provided are defined, and uniformity of service is assured.

Accreditation streamlines operations, providing more consistency and more effective deployment of agency manpower.

BENEFITS TO THE OFFICERS & EMPLOYEES

Accreditation requires that agency policies and procedures be current and in written form and are available to all agency personnel at all times.

Accreditation assures employees that every aspect of the agency's personnel system is in accord with professional standards, and that the system is both fair and equitable.

The agency is compelled to operate within specific guidelines. It is accountable to the Commission. The agency must stay in compliance with the standards set forth by the Commission in order to retain its accreditation.

The morale of the agency is enhanced by increasing the employees' confidence in the effectiveness and efficiency of their own agency. Operations become more streamlined and consistent.

Accreditation standards address officer safety issues and provide for adequate training and equipment of the officers.

Accreditation is a coveted award that symbolizes professionalism, excellence, and competence. Employees will take pride in their agency, knowing that it represents the very best in law enforcement.

PROJECT SCOPE

The contractor proposes to evaluate if the City police department's current policies, procedures, and all other forms of written directives to determine if they meet or exceed the minimum standards set forth by the Commission for Florida Law Enforcement Accreditation Program, AND

- Develop and publish any revisions to any and all existing policies as approved by the City necessary to meet the standards of the Florida law enforcement accreditation program.
- Develop and publish any and all additional polices as approved by the city, which do not currently
 exist which would be required to meet the standards of the Florida law enforcement accreditation
 program.
- Set-Up, and populate Power DMS© web portal, specific to the City's police department, to manage disseminate and assist with maintaining all of the police department's written directives, build, populate and manage an assessment system in accordance with the provisions of the Florida Law Enforcement Accreditation Standard Compliance files on to include creation of the required standard compliance files required to meet the requirements of the Florida Law Enforcement Accreditation Program in affect at the time of any such assessment by the Commission for Law Enforcement Accreditation.
- Create and populate each standard compliance file with a copy or copies of all applicable agency directives, copy or copies of any and all supporting documentation, agency records, photographs, etc. necessary to demonstrate compliance with each program standard.
- Create and populate each standard compliance file with a copy or copies of all applicable agency directives, copy or copies of any and all supporting documentation, agency records, photographs, etc. necessary to demonstrate compliance with each program standard.
- Highlight each directive and all supporting documentation to illustrate how each directive/documentation is applicable and demonstrates compliance to the individual standard.
- Perform on-site collection, as necessary of all required or recommended departmental documentation relevant to demonstrating compliance with program standards.
- Attend in-person meetings with the City and its representatives to discuss project status, noncompliance issues, departmental issues effecting the project, and/or written directive development purpose and status.
- Be present and oversee for any and all assessments, either mock assessment as arranged for by the contractor, as well as any on-site assessment scheduled by the Florida Accreditation Office.

Represent the city and its police department as the accreditation manager and attend any and all
meetings and/or training conferences of the Commission for Florida Law Enforcement
Accreditation.

PROJECT TIME LINE

It is estimated that this project would take at a minimum 18 months to complete and the agency be accredited under the Commission for Law Enforcement Accreditation program.

The first step towards completing the process is to apply for participation through the Commission. The agency will receive an agreement, along with an invoice for their participation in the accreditation process and software fees. Once the agreement is signed, and it is returned it to the Florida Accreditation office the 24-month self-assessment phase begins the date the Executive Director signs the agreement. Agencies have 24 months to call for an on-site assessment by a team of assessors from the FAO, but may call for an on-site after 12 months.

We will schedule a mock assessment 60-90 days prior to any scheduled assessment. It's the agency's responsibility to arrange for all aspects of the mock, including assessor selection, which will be completed by the contractor.

CONCLUSION

I look forward to working with the City of New Port Richey, Chief Kochen, his command staff as well as City Manager Debbie Manns. I am confident that together we can rise to the challenges ahead of us and achieve our goal of seeing "Accredited Agency" decals adorning all the assets of the New Port Richey Police Department.,

If you have questions on this proposal, feel free to contact me at your convenience by email at thiwings2002@gmail.com or by phone at 727-364-9473. I look forward to hearing from you to arrange a follow-up to this proposal, if needed.

Thank you for your consideration,

TO: City of New Port Richey City Council

FROM: Robert Kochen, Chief of Police

DATE: 10/15/2024

RE: Approval of Revised Memorandum of Understanding with the Pasco County Sheriff's Office RE:

Operation Stonegarden

REQUEST:

The request is for the City Council to approve the revised Operation Stonegarden Memorandum of Understanding (MOU) between the Pasco Sheriff's Office (PSO) and the New Port Richey Police Department (NPRPD) to allow our department to seek cost reimbursements for police operations under a Homeland Security Grant that the Sheriff's Office administers.

DISCUSSION:

Operation Stonegarden (OPSG) is a Homeland Security Grant Program that provides overtime and equipment funding for state and local law enforcement agencies in support of border security specific operations. The council approved this MOU on 9/17/24; however, there have been some minor revisions to the MOU that require us to bring this back to you for approval.

The revisions to the MOU are highlighted in yellow in your back material and are as follows:

- The grant number changed from RO461 to RO545
- Section III e. (Terms and procedures of Operation Stonegarden) was changed to add grant number RO545.
- Section g. was added to Section III and states the following: All Parties agree that any allocations and use of funds under the OPSG Border Security Grant, shall be in accordance with the guidelines of the grant.
- In section V. iii. (Fiscal) the language was changed to require us to send PSO Stonegarden reimbursement invoices within 45 business days of an operation as opposed to within 10 business days of an operation.
- In section V. (Fiscal) the revised MOU added section iv. with language that disallows grant reimbursement if we do not send reimbursement invoices within 45 days of an operation as per section V. iii.
- Section V. c iii. was changed to require our agency to provide the Sheriff's Office with a designated contact person for this MOU within 15 business days of its execution.
- In section VII K. (Miscellaneous) is highlighted as a change; however, the language still allows all parties to terminate their participation in the MOU by providing (30) days' written notice to all other parties.

By signing this revised MOU, our agency is bringing in more resources and funding to combat the importation of illegal drugs into the Tampa Bay Area. As the City Council is aware, we entered into grant agreements with the United States Department of Justice and Florida Department of Law Enforcement for resources to combat certain elements of illegal narcotics activity. This MOU brings forth even more funded resources to combat illegal drug activity.

City Attorney Tim Driscoll reviewed the revised MOU and approved it as to form.

RECOMMENDATION:

Approve Operation Stonegarden revised Memorandum of Understanding with PSO.

BUDGET/FISCAL IMPACT:

No budget impact.

PASCO COUNTY LAW ENFORCEMENT MEMORANDUM OF UNDERSTANDING OPERATION STONEGARDEN

THIS Memorandum of Understanding (MOU) is made and entered into by and between the listed municipalities along with their respective Chiefs of Police in Pasco, County, Florida and CHRIS NOCCO, as Sheriff of Pasco County, Florida. The purpose of this MOU is to address implementation of Operation Stonegarden – Border Security Grant.

WITNESSETH

WHEREAS, Part I, Chapter 23 of the Florida Statutes, the "Florida Mutual Aid Act", authorizes law enforcement agencies to enter into agreements for voluntary cooperation and assistance of a routine law enforcement nature across jurisdictional lines by and between such agencies, and to enter into an operational assistance agreement whereby each agency may request and render law enforcement assistance to the other law enforcement agency during emergencies under s. 252.34, Florida Statutes; and

WHEREAS, the Pasco Sheriff's Office is the recipient and implementing agency of the Operation Stonegarden – Border Security Grant R0545 through the Florida Division of Emergency Management and shall comply with current administrative requirements, cost principles, and audit requirements; and

WHEREAS, participation is restricted to listed participating law enforcement agencies and their personnel meeting minimum operational qualifications; and

WHEREAS, all participating agencies agree that allocations and use of funds under this grant shall be in accordance with the current grant program guidance and application kit; and

NOW, THEREFORE, in consideration of the mutual covenants expressed herein and for other good and valuable consideration, receipt of which is hereby acknowledged, the parties hereto agree as follows:

- I. The parties to this MOU are as follows:
 - a. Chris Nocco, as Sheriff of Pasco County, Florida;
 - b. The City of Dade City, Pasco County, Florida;
 - c. The City of New Port Richey, Pasco County, Florida;
 - d. The City of Port Richey, Pasco County, Florida;
 - e. The City of Zephyrhills, Pasco County, Florida.

- II. The Law Enforcement agencies participating in and subject to this MOU, and their respective commanders, are as follows:
 - a. The Pasco Sheriff's Office Sheriff;
 - b. The Dade City, Pasco County, Florida Police Department Chief of Police;
 - c. The New Port Richey, Pasco County, Florida Police Department Chief of Police;
 - d. The Port Richey City, Pasco County, Florida Police Department Chief of Police; and
 - e. The Zephyrhills, Pasco County, Florida Police Department Chief of Police.

III. Terms and Procedures of Operation Stonegarden

- a. The Pasco Sheriff's Office shall coordinate enhanced law enforcement services in Pasco County that support U.S. Customs and Border Protection in conjunction with participating Pasco County municipal police departments.
- b. The allocation of manpower and resources will be at the discretion of the Pasco Sheriff's Office through approved operations orders submitted and approved by the affected Border Patrol Station, area of responsibility.
- c. The Pasco Sheriff's Office reserves the right to programmatically change the funding amounts within categories pursuant to Operation Stonegarden guidelines.
- d. Any party to this MOU may request and/or provide voluntary cooperation and assistance across jurisdictional lines of any other party to this MOU in fulfilling the objectives of an Operation Stonegarden operation. A sworn law enforcement officer of a participating agency to this MOU is hereby empowered and may exercise law enforcement authority within the jurisdiction of another participating agency when participating in an Operation Stonegarden operation as outlined in the Pasco County Mutual Aid Agreement.
- e. Upon the expiration of current funding through Operation Stonegarden Border Security Grant R0545, funding will then be utilized from any subsequent award to the Pasco Sheriff's Office from Operation Stonegarden- Border Security Grant from the Homeland Security Grant through the Florida Division of Emergency Management until such time as the Pasco Sheriff's Office is no longer an award recipient.
- f. All Parties understand and agree any current or future funding from the Border Security Grant is contingent upon the approval of the operational order by the Federal Emergency Management Agency (FEMA).
- g. All Parties agree that any allocations and use of funds under the Operation Stonegarden Border Security Grant, shall be in accordance with the guidelines of the grant.

IV. Forfeiture Proceedings and Equitable Sharing

a. All real and personal property seizures and subsequent forfeitures pursuant to the Florida Contraband Forfeiture Act stemming from any investigation and/or arrest

pursuant to law enforcement action taken under this MOU will be first reviewed by the Pasco Sheriff's Office's Legal Department to determine whether the Pasco Sheriff's Office will initiate forfeiture action. Any law enforcement officer initiating forfeiture proceedings when taking law enforcement action pursuant to this MOU will notify the Pasco Sheriff's Office's Legal Department of their intentions and the administrative agency's forfeiture policies and reports will be utilized. The agencies agree to divide any forfeiture proceeds in equitable shares. Equitable shares must bear a reasonable relationship to that agency's direct and active participation in the investigation or law enforcement effort resulting in the forfeiture. The Pasco Sheriff's Office is the deciding authority to determine equitable shares by comparing the number of work hours expended by each agency actively participating in the investigation, arrest, and/or seizure. Equitable distribution of any such funds will be less the cost of administrative and filing fees, not to include salaries. Any federal forfeiture by the U.S. Customs and Border Protection, or any other federal agency, as a result of a joint investigation will be equitably shared in the same manner with each participating agency involved in said operation and each participating agency will be responsible for submitting the required DAG forms. This MOU does not preclude a participating agency from initiating forfeiture proceedings within their respective jurisdictions outside the scope of this MOU.

V. Fiscal

- a. The Pasco Sheriff's Office will submit requests for reimbursement for approved operational costs on behalf of all participating agencies.
- b. Participants agree to the following procedures to provide timely and accurate reimbursements for all expenditures associated with Operation Stonegarden:
 - i. All invoices shall be submitted on an agency letterhead with proper backup documentation, including:
 - 1. Timesheet clearly stating Operation Stonegarden related overtime.
 - 2. Paycheck history showing overtime was paid.
 - 3. Breakdown of fringe benefits, including bank statements proving the payment of fringe benefits was completed.
 - ii. Back up documentation for fuel, including:
 - 1. Vessel fuel receipt and log for time spent on operation.
 - 2. Vehicle mileage log and documentation proving payment for fuel purchase.
 - iii. Participants will send all invoices and documentation required for reimbursement within 45 business days of an operation to:

Pasco Sheriff's Office 8661 Citizens Drive New Port Richey, FL 34654 PSOgrants@pascosheriff.org

- iv. In the event invoices and documentation are not sent within 45 business days of an operation (as evidenced by email date or postmark date), the municipality waives its request for reimbursement.
- c. The following list of information is required from the participating municipalities in order to be eligible for reimbursement:
 - i. Proof that the police officer worked the Stonegarden Grant with a time sheet or overtime record from the City.
 - ii. Paycheck stub or Payroll history report that shows the person actually received overtime pay. Operation Stonegarden does not reimburse straight time. This report must show the check number of the EFT or paper check. This document needs to show that the City provided FICA and retirement benefits for the employee.
 - iii. A designated contact for the City to answer any questions regarding documentation submitted for reimbursement. The cities shall provide their designated contact's name and contact information to PSOgrants@pascosheriff.org within 15 business days of full execution of this MOU.
- d. The Pasco Sheriff's Office shall maintain all financial records and complete all financial reporting as required by the terms of the grant, and, shall be responsible for all audit and compliance requirements.

VI. Performance Reporting

a. The Pasco Sheriff's Office shall compile and complete all performance reporting as required by the terms of the grant. All participants listed herein this MOU and participating in Operation Stonegarden shall provide any and all information necessary to complete performance reporting following the end of each mission until the conclusion of the grant. All performance reporting information should be sent to the Pasco Sheriff's Office Special Operations representative for each mission.

VII. Miscellaneous

- A. Law enforcement officers or employees participating in an Operation Stonegarden mission shall be under the direction and authority of the commanding officers of their own agency. However, no officer participating in an Operation Stonegarden mission shall be required to perform any act which would violate standard operating procedures or supervisory guidelines in the jurisdiction in which they are normally employed.
- B. All pension, insurance, relief, disability, workers' compensation, salary, death and other benefits which apply to the activities of officers, agents and employees performing duties in the jurisdiction in which they are normally employed shell apply to the same manner, degree and extent while such officers, agents and employees are rendering assistance under this MOU.

- Notwithstanding the above, nothing contained herein is intended to limit either party's right to reimbursement for eligible costs as permitted by law.
- C. Each agency shall be responsible for its own operational costs and expenses in providing assistance under this MOU and bearing its own costs associated with any loss or damage incurred to such jurisdiction's property, equipment, or resources as a result of the use of such property during participation in an Operation Stonegarden mission.
- D. Each party shall provide and carry liability insurance, workers' compensation insurance, self-insurance and other insurance necessary to assure that each party shall be protective and indemnified from any and all liabilities which may result by reason of activities which are the subject of this MOU. Liability insurance shall be maintained in an amount not less than \$200,000 per person and \$300,000 per occurrence. Each party shall furnish satisfactory proof of insurance to the other party. "Insurance" may be procured either privately or pursuant to an approval self-insurance risk-financing program. Should any insurance policy or self-insurance program expire, be cancelled or undergo material change, the insured party shall, 30 days before such expiration, cancellation, or change, mail notice of the same to the other party.
- E. Nothing herein shall be deemed to transfer any legal or equitable ownership of any equipment utilized while participating in an Operation Stonegarden mission from one cooperating agency to the other. Further, nothing herein shall be deemed to confer any agency or employer/employee relationship or status upon the personnel of the cooperating agency while participating in an Operation Stonegarden mission under this MOU.
- F. A participating agency shall not be required to participate in an Operation Stonegarden mission if, in the opinion of the participating agency, participating would interfere with or jeopardize the police protection and safety of the citizens or property within the jurisdiction normally served by that participating agency, or if the requested assistance is otherwise unavailable.
- G. Nothing in this MOU is intended to be, nor shall it be construed to be, a relinquishment or transfer, expressly or by implication, of any of the powers or functions of a participating agency.
- H. In no event shall this MOU confer upon any person, corporation, or entity, whether private or government, the right to damages against the cooperating agency for any acts, omissions or conduct, except as expressly provided in this MOU.

- I. Each party to this MOU shall bear all court costs, defense costs, and liability for its own law enforcement officers, agents and/or employees for acts undertaken pursuant to this MOU unless such act was ordered by the commanding officer of another agency; but if such act was not ordered by the commanding officer of another agency, each agrees, to the extent permitted by law, to indemnify and hold the other harmless of and from any claims, lawsuits and/or causes of action arising out of the acts, omissions and conduct of its own officers, agents and/or employees. In the event that an act or acts undertaken pursuant to this MOU is ordered by the commanding officer of another agency, any defense or court costs and liability that might arise shall be the responsibility of the agency employing the commanding officer. However, nothing contained herein shall be construed to waive or modify the provisions of F.S. 768.28 or the doctrine of sovereign immunity as to any party hereto.
- J. This MOU shall be binding upon the parties from the date of execution by a party hereto and shall continue in full force and effect until terminated as provided herein below.
- K. This MOU shall take effect upon full execution by all Parties and continue in effect until terminated by the Pasco Sheriff's Office or until the Pasco Sheriff's Office is no longer an award recipient of the Operation Stonegarden Border Security Grant. A Party may terminate their participation in this MOU by providing thirty (30) days' written notice to all other Parties.
- L. This MOU reflects the full and complete understanding of the parties and may be modified or amended only by a document in writing signed by all of the parties hereto.

VIII. Severability

If any provision of this MOU shall be declared invalid for any reason, such invalidity shall not affect any of the remaining provisions of this MOU.

IN WITNESS WHEREOF, the parties hereto cause these presents to be signed.

In acknowledgment and execution of the Operation Stonegarden Memorandum of Understanding, I hereby set my hand and seal:
